Dearest Mary Lou,
Love is like an onion
you taste it with delight
But afterwards you wonder
whatened may you bite.
Lots of Luck to one
of the sweetest &
cutest little girls I
know.

Love,
Rosemary

*"All the world's a stage,
And all the men and women merely
players:
They have their exits and their
entrances;
And one man in his time plays
many parts." —Shakespeare.*

DEDICATED TO . . .

Mr. Peel

*Whose grand personality has won the
friendship and sincere admiration of all!*

IN MEMORY OF . .

Tall, somber, grim, against the morning sky

They rise, scarce touched by melancholy airs,

Which stir the fadeless foliage dreamfully . . .

And on each tinted copse and shimmering dell

Rests the mute rapture of deep-hearted peace.—Hayne.

Dear Mary Lou,

I sure hope your going to enjoy this annual. I can't say I like the cover so well. I really like the picture of you. I especially like the position your legs are in. I kind of miss you. I'm writing this in 2nd period which is Spanish I hope you still feel the same way about the brand of tobacco out in Kentucky.

Same un besito con tu boquito. (TRANSLATED)

Give me a little kiss with your mouth.

Love, Werner

"DARK EYES"

STUDENT DIRECTORS

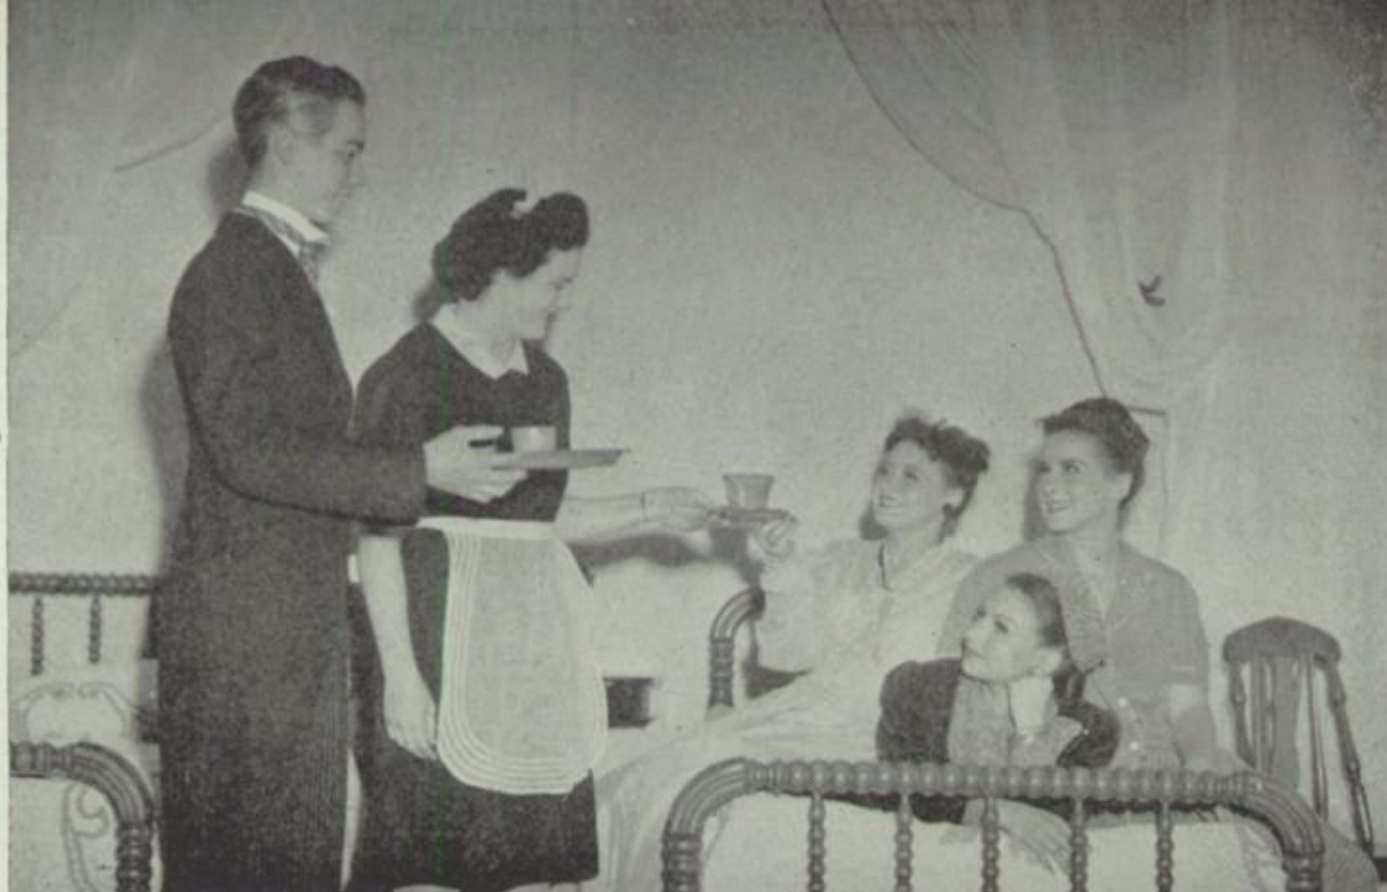

Cast: Larry Field, Bob Hedburg; Willoughby, Art Hughes; Grandmother Field, Martha Jones; Pearl, Margaret Jones; Helen Field, Alyce Arnold; Prince Nikolai Toradje, Larry Antista; Natasha Rapakovich, Faith Stewart; Tonia Karpova, Betty Greenhalgh; Olga Shmilevskaya, Doreen Slickman; Father Field, Ray Ross.

Joyce Baker, Eleanor Conklin, Caryl Langford, Marilyn Sparks, Joyce Turner and Lois Kane, are guests and gypsies in scene two, act one.

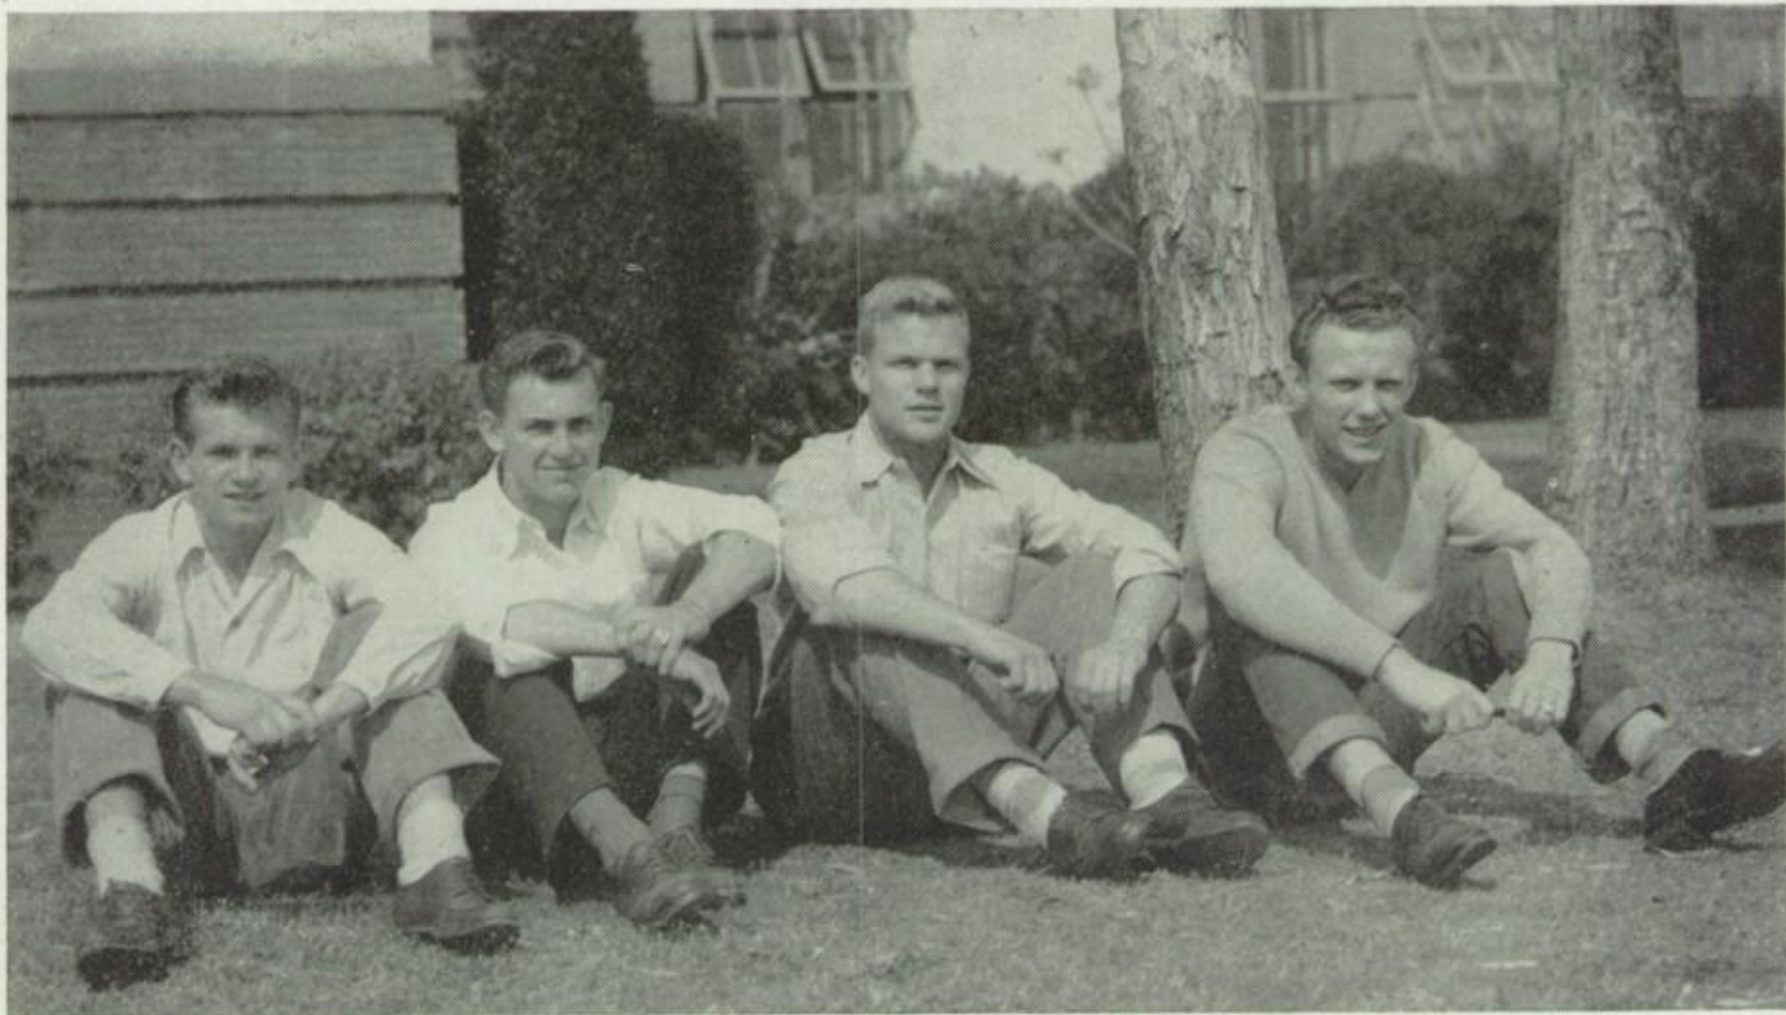

This unusual play was snappily presented by the Senior Class and had an able cast to portray its colorful characters. It was named "Dark Eyes" for the Russian girls who were featured in this fast-moving comedy. The story took place in a well-to-do New York socialite's home, where Nikolai Toradje, her fiance, was visiting. To start the series of hilarious incidents which popped continually through the play, three lively Russian actresses arrived. These three, Natasha Rapakovich, Tonia Karpova, and Shmilevskaya Olga, thought they were being chased for money they had overdrawn from the bank. Natasha was in love with Nikolai without admitting it to anyone until nearing the end of the play. The plot became quite involved, as usual for love affairs which concern several parties, but all turned out with everyone happy.

SENSATIONAL.

PRODUCTION

THREE CORNERED MOON

The talented cast of "Three-Cornered Moon" had an appreciative audience for their brilliant senior play. A madcap family, the Rimplegars, were characterized by a carefree, happy attitude toward life. The father, long since dead, had entrusted the family fortune to the mother who, ill-advised, had lost everything in the crash of the stock market.

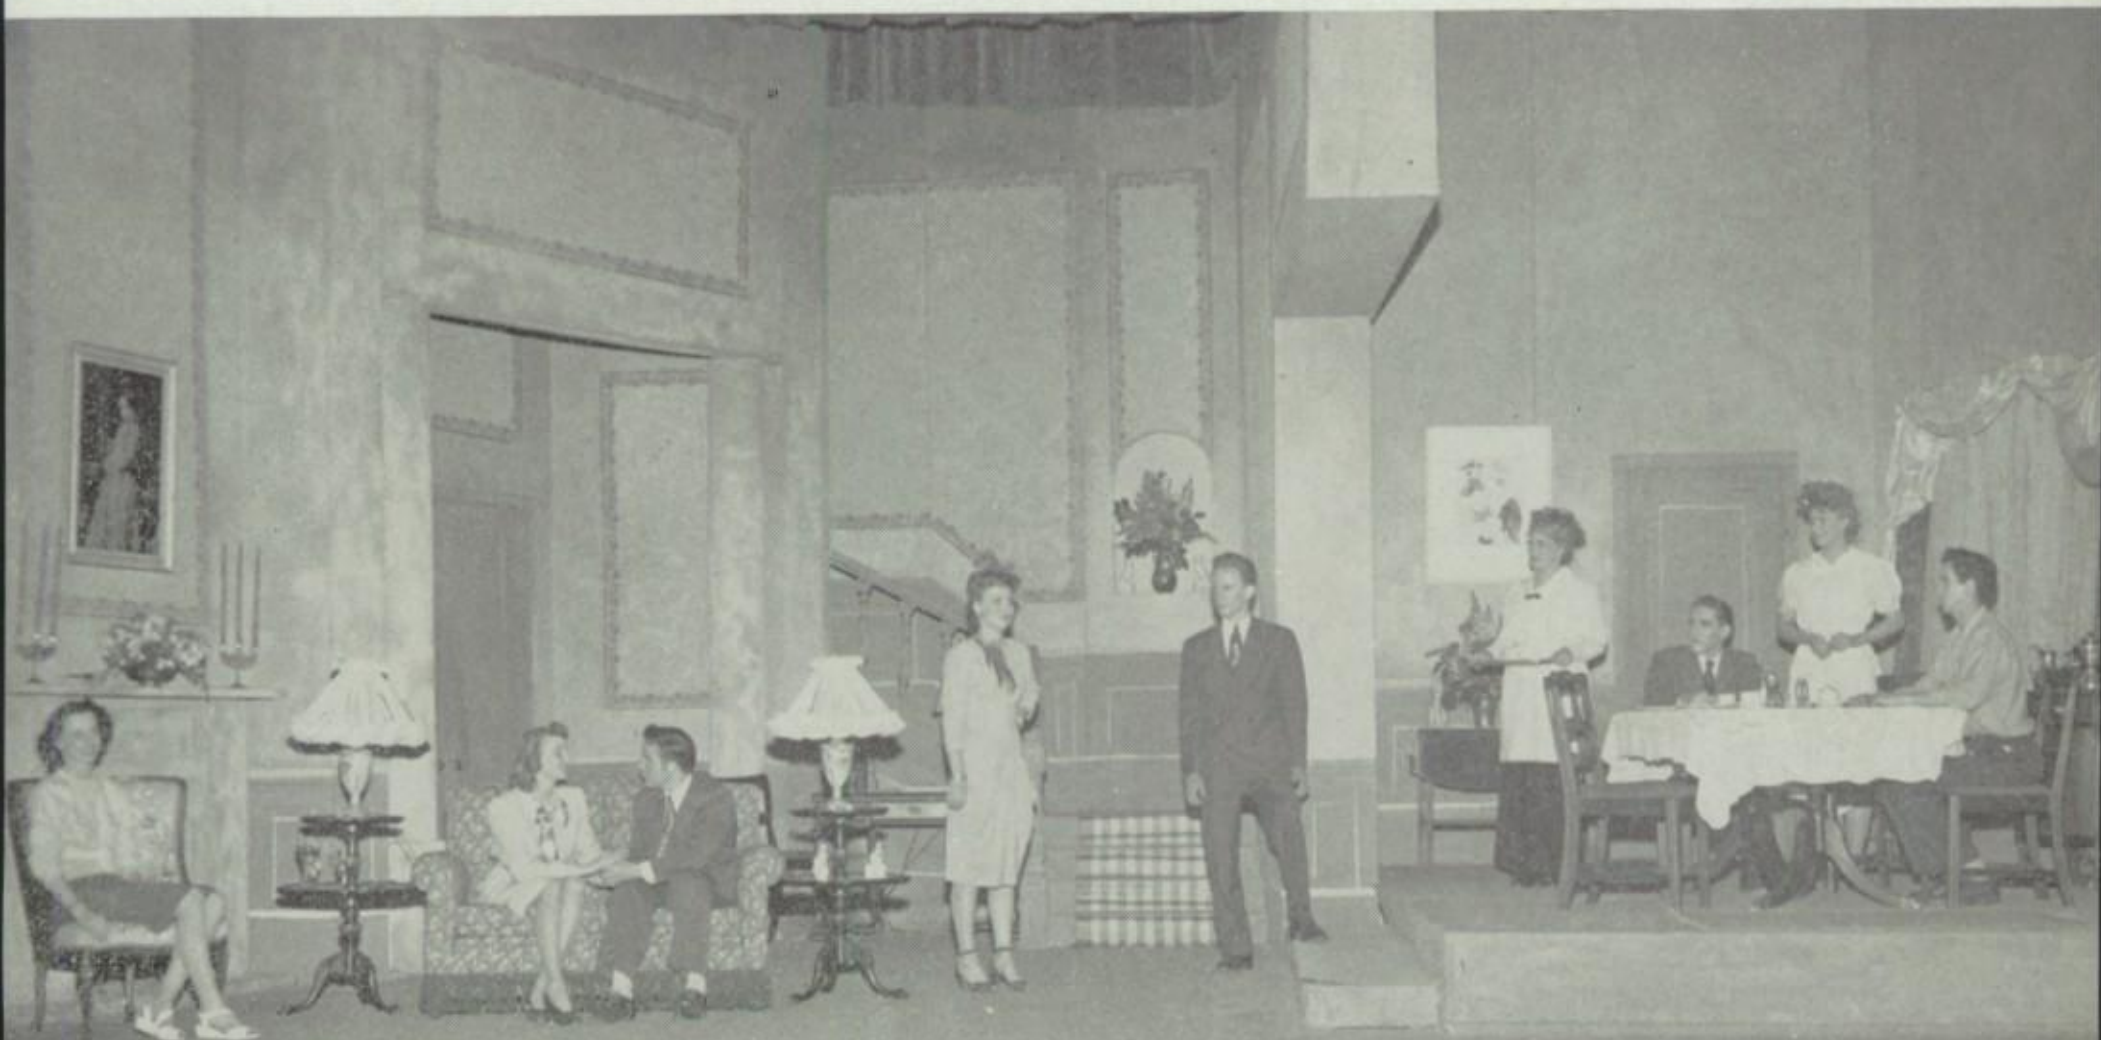

This unexpected turn of events left the spoiled family in a state of turmoil, upsetting the luxurious and somewhat bored life led by four grown children and scatter-brained Mrs. Rimplegar.

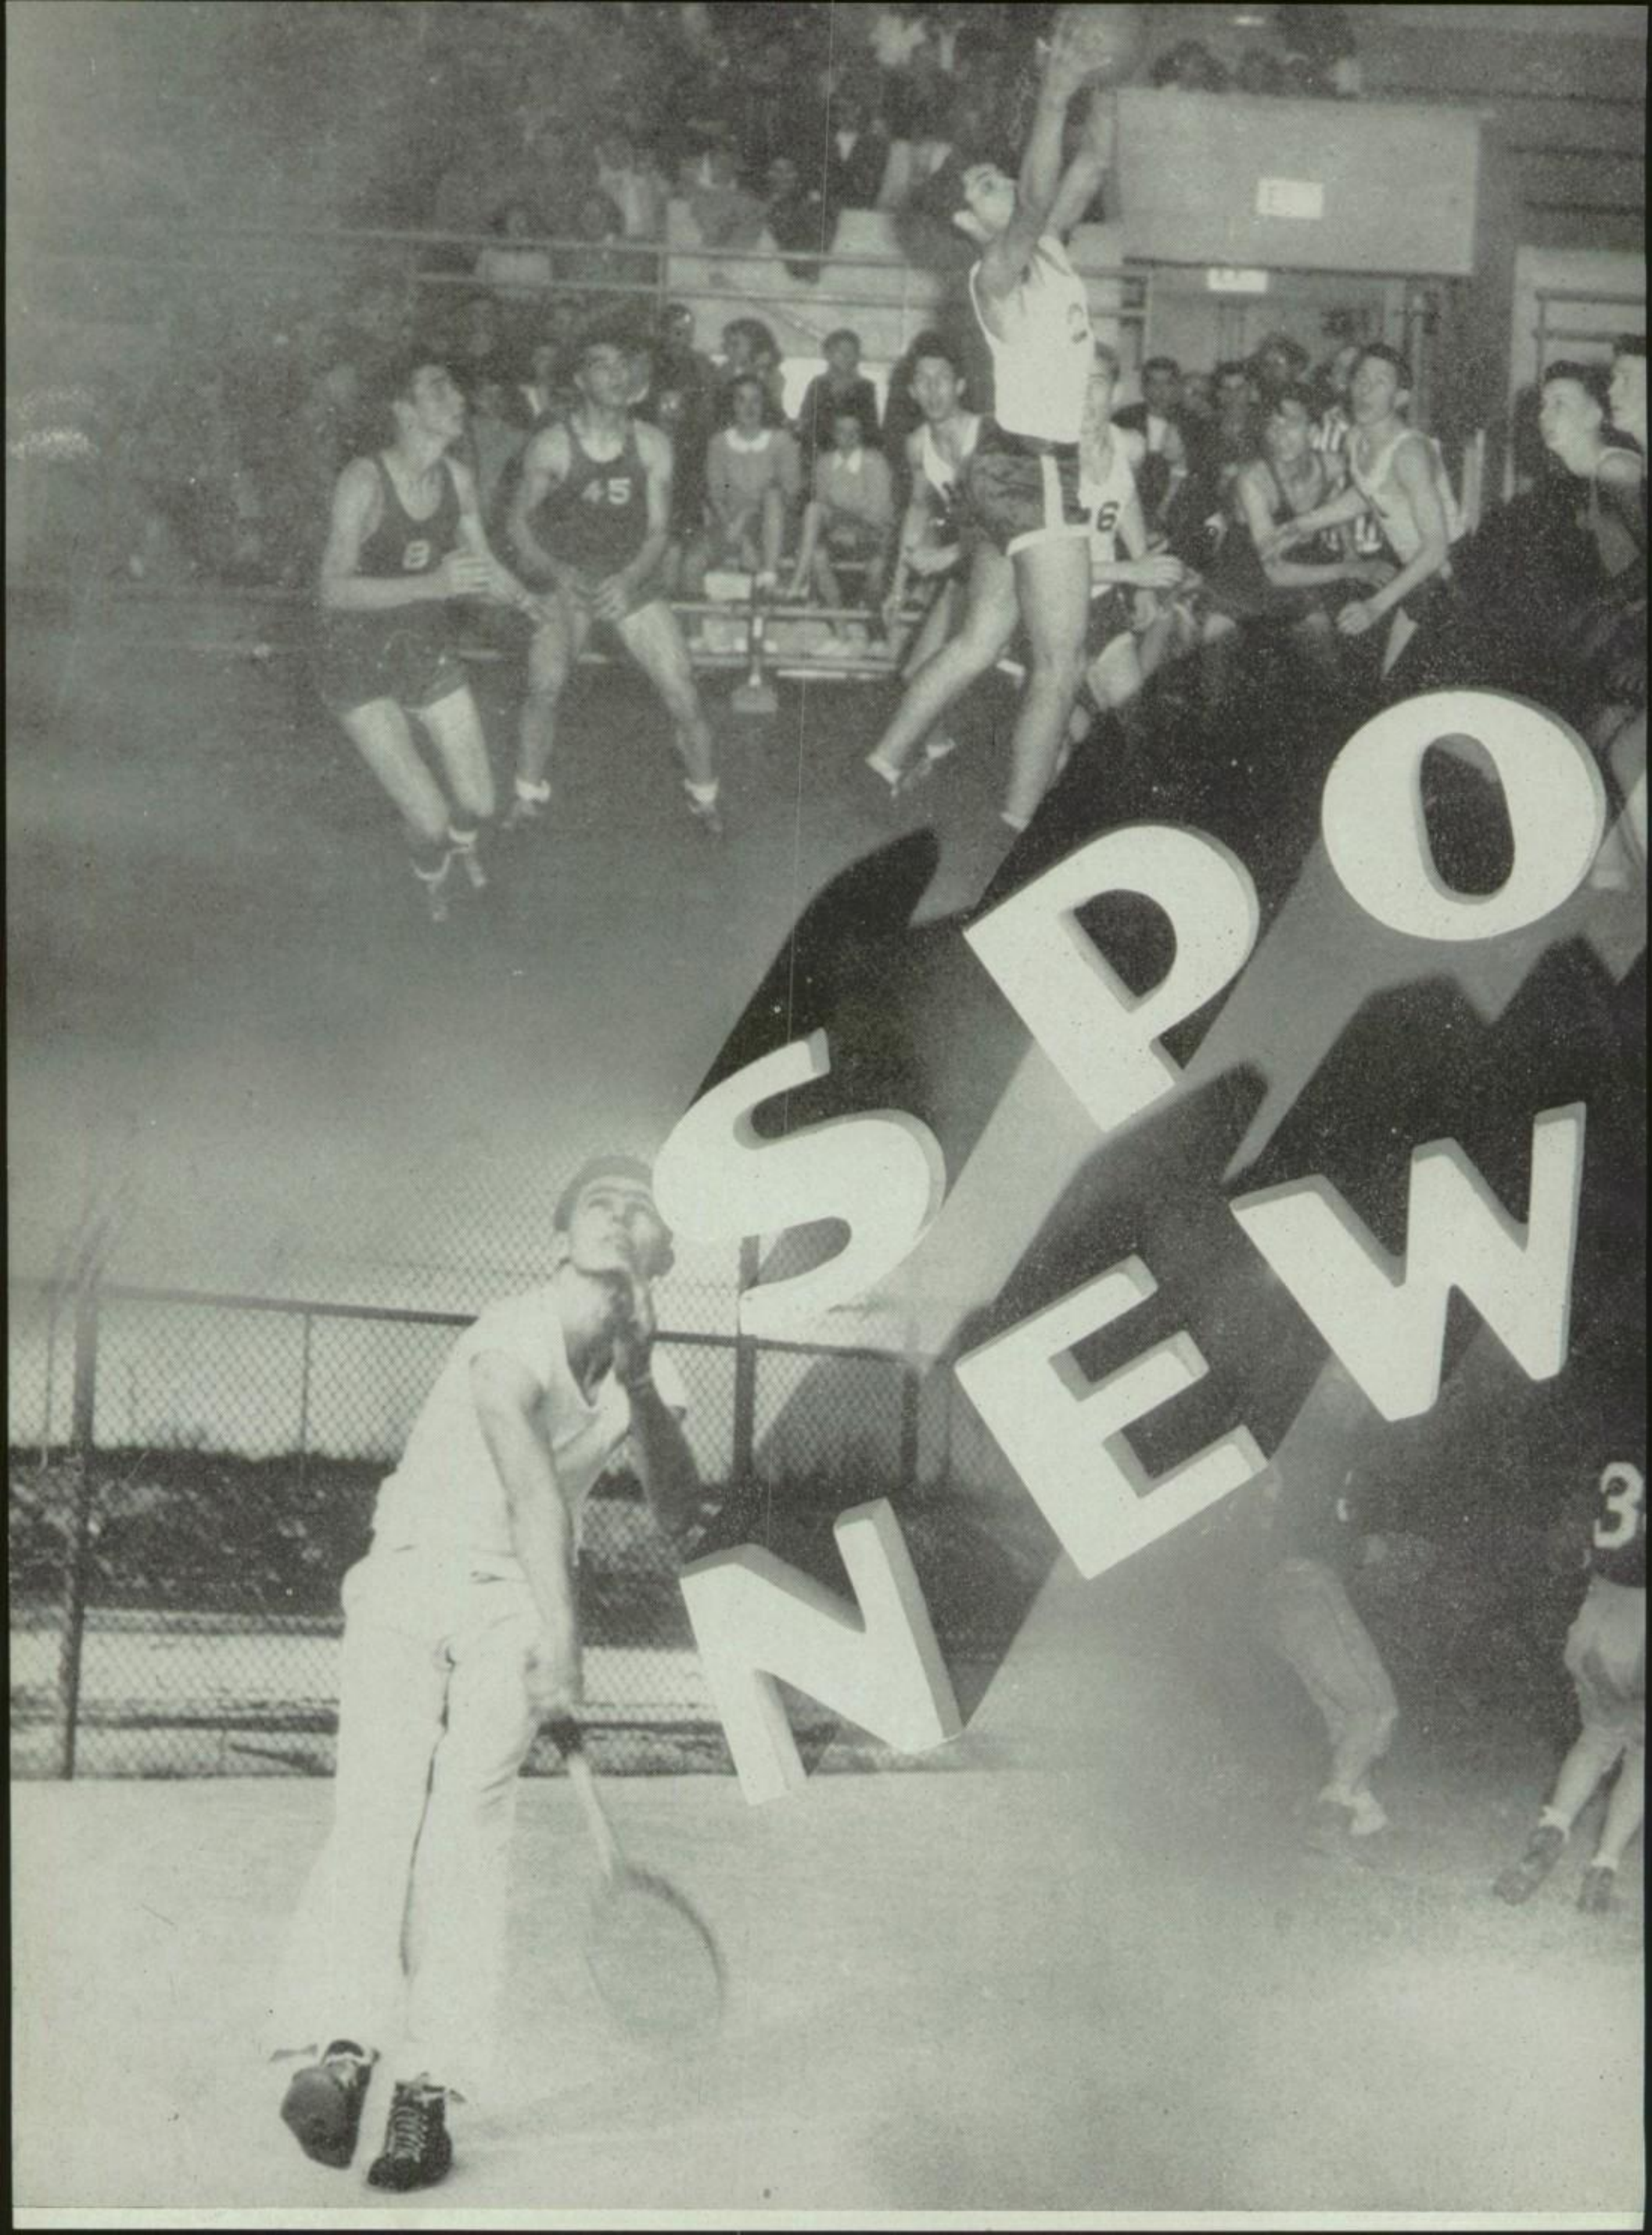

Being in dire need of money, Kenneth, Elizabeth, Ed and Hildegard went in search of employment. For further support they boarded mild, sensible Dr. Stevens, an old family friend. To thicken the plot, Elizabeth's fiance, Donald, roomed with them, but depended upon the family means for financial support. He was a temperamental novelist with a strange idea that he could not work because of his highly artistic personality. He was a constant cause of argument, with headstrong Elizabeth defending him. Later, Donald left for good after having disappointed everyone by turning down a good job. This action left Elizabeth free to marry Dr. Stevens, and with the combined income from the Rimplegars' jobs, their careless and happy feeling returned to them.

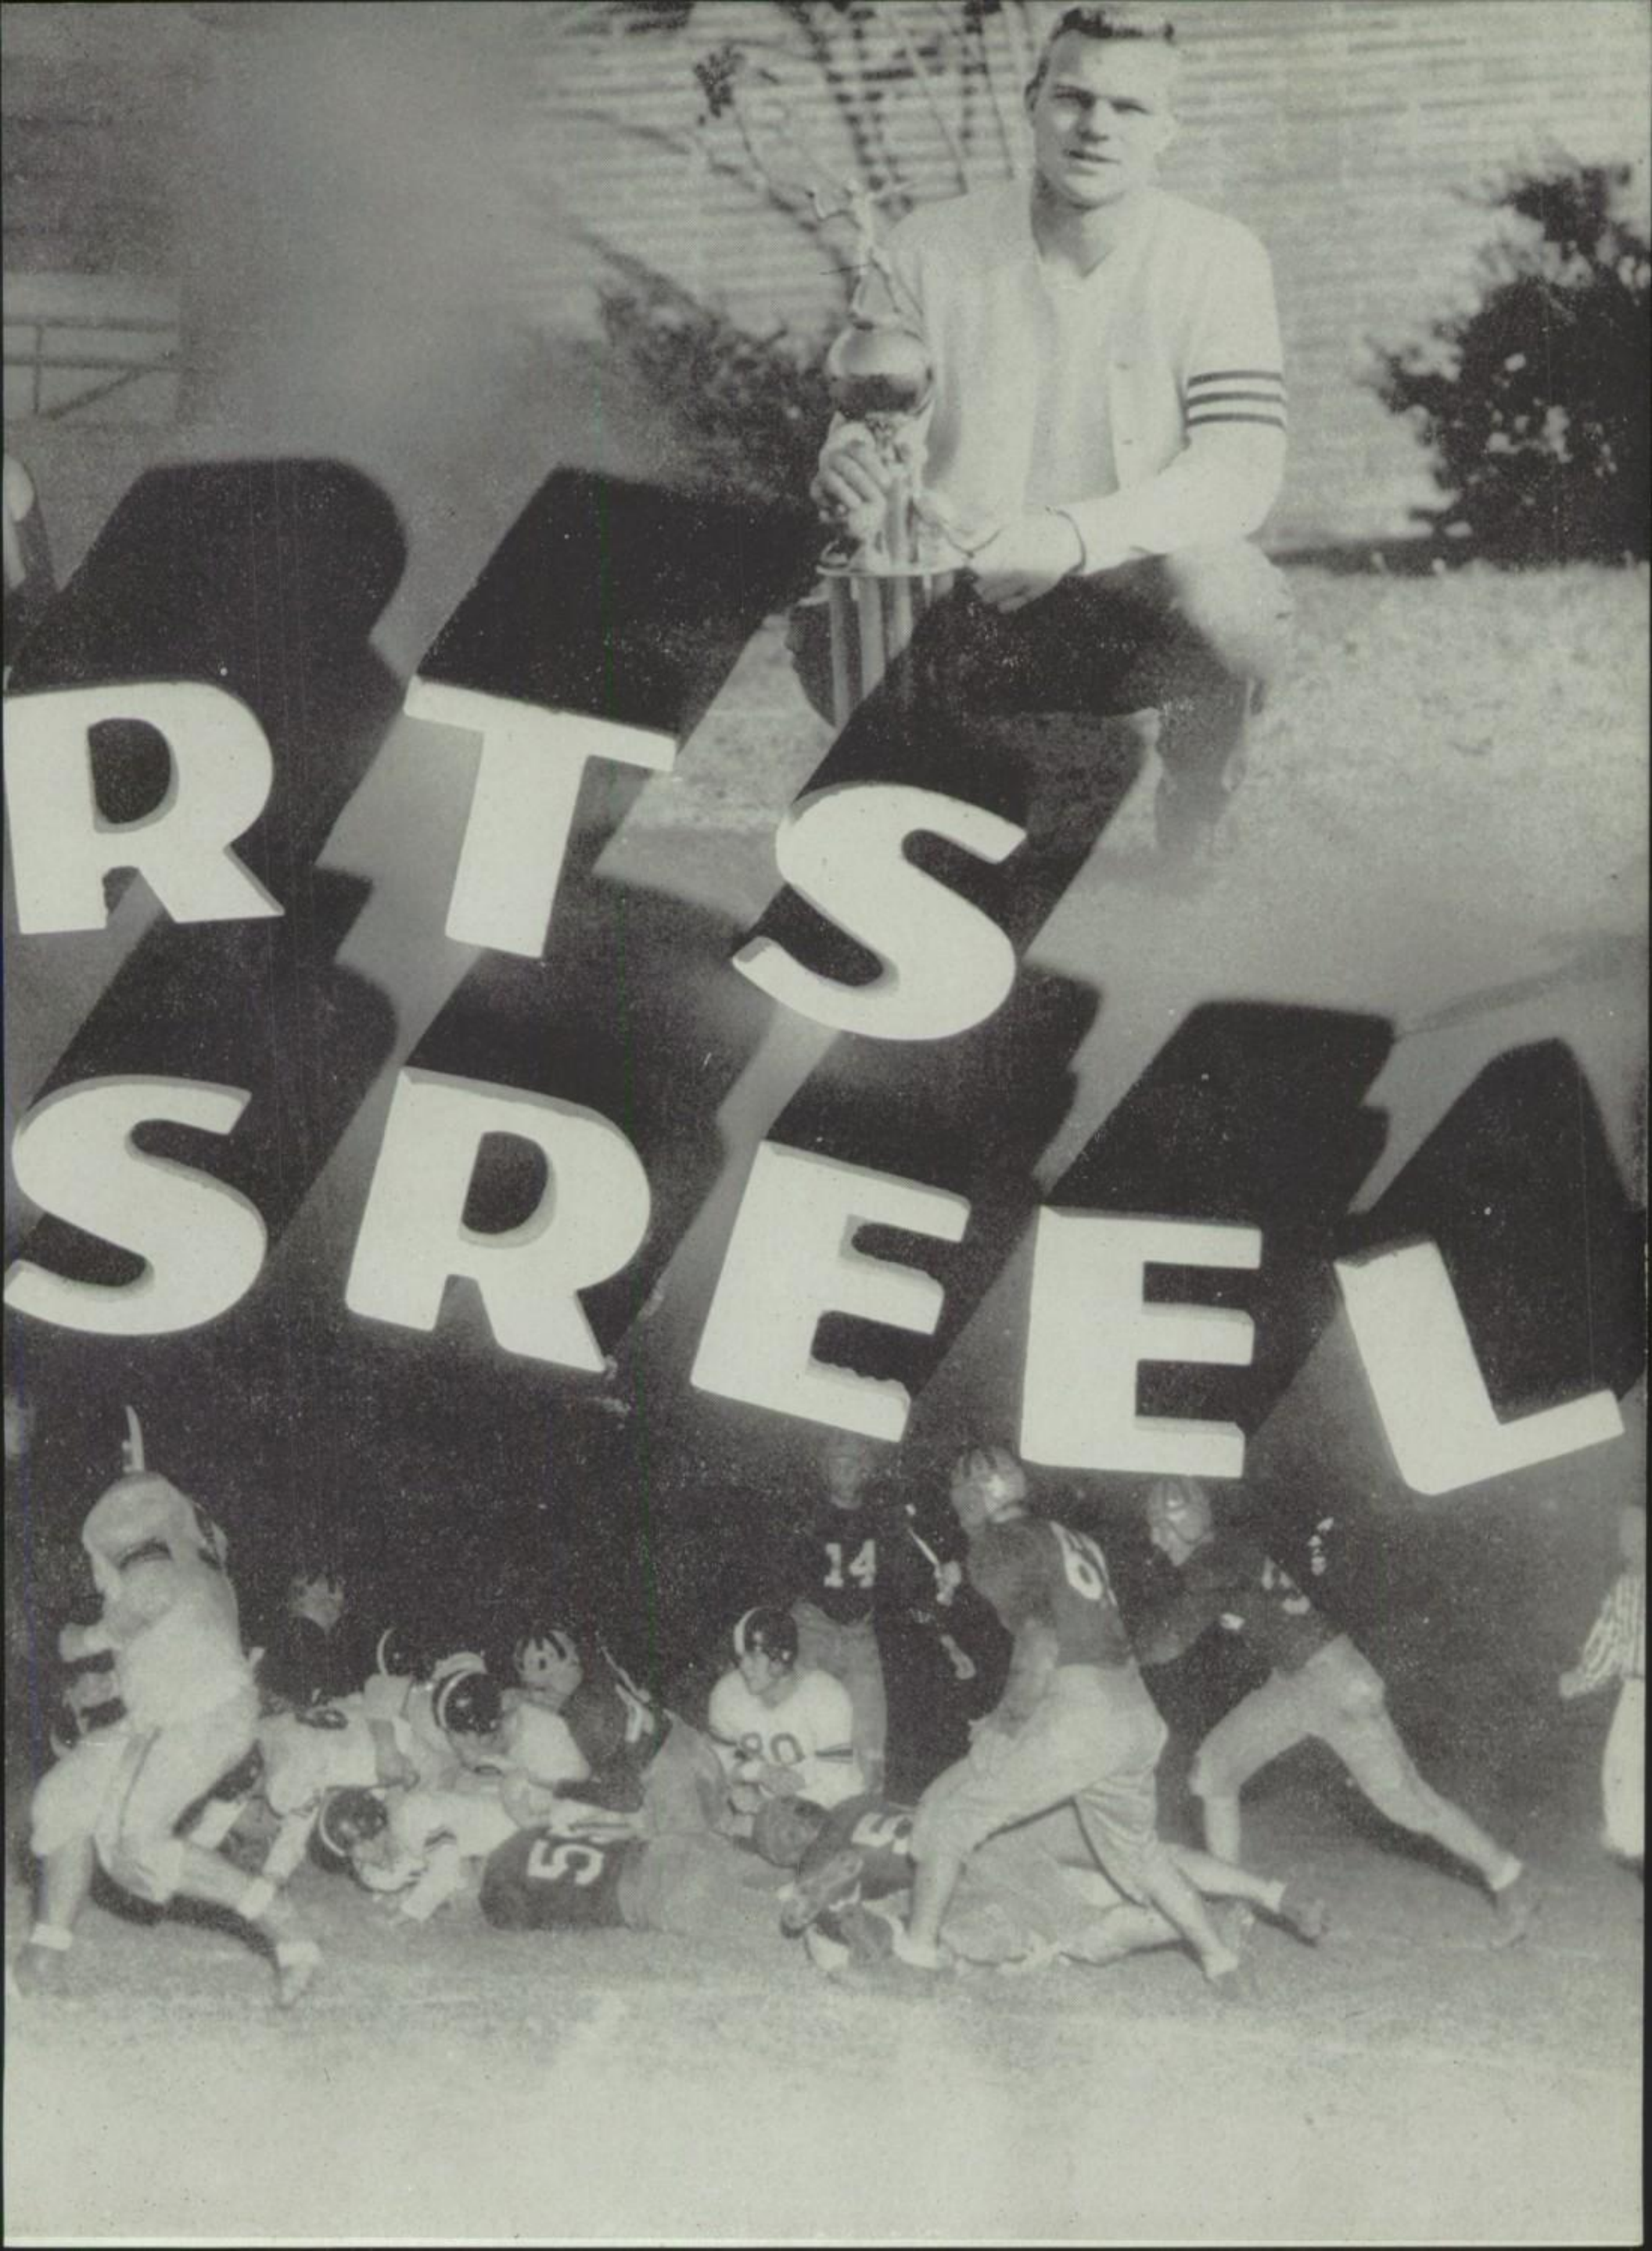

The characters were cleverly portrayed by a well-chosen cast; the play itself was brightly flecked with gaiety, drama, and emotion.

Varsity Football

Hit 'em again, hit 'em again, harder, harder; go you Aztecs, fight you Aztecs, go you Aztecs, fight!!

Yes, another football season has passed through the Keppel sports newsreel; and though not as spectacular as its predecessor, the Aztec's 1945 pigskin efforts can be written into that big maroon and white record book as one of the most exciting grid years at Hellman Avenue's football-minded institution.

Opening their bag of tricks on South Pasadena turf, the Wagermen were surprised by the power-laden tiger "T", but succeeded in knotting the count 7-7. The Jack Rabbits of Long Beach were next to feel Maroon strength and they fell, 10-0.

In the next game against Beverly Hills, the Keppelites blew an 18-6 lead in the last five minutes to give the Normans a 19-18 victory. This score was reversed the following week when the locals met and defeated Glendale Broadway, 19-18.

In their first league tilt the Montezumamen and the Whittier Cards played to a breathtaking scoreless tie with the Aztec's only tally being called back.

The unbeaten Excelsior Pilots suffered their first defeat when they met the Keppelites and lost, 12-0. The red-hot El Monte eleven was th next squad to come to grips with the locals and after a see-saw battle they edged out the "home towners," 13-8.

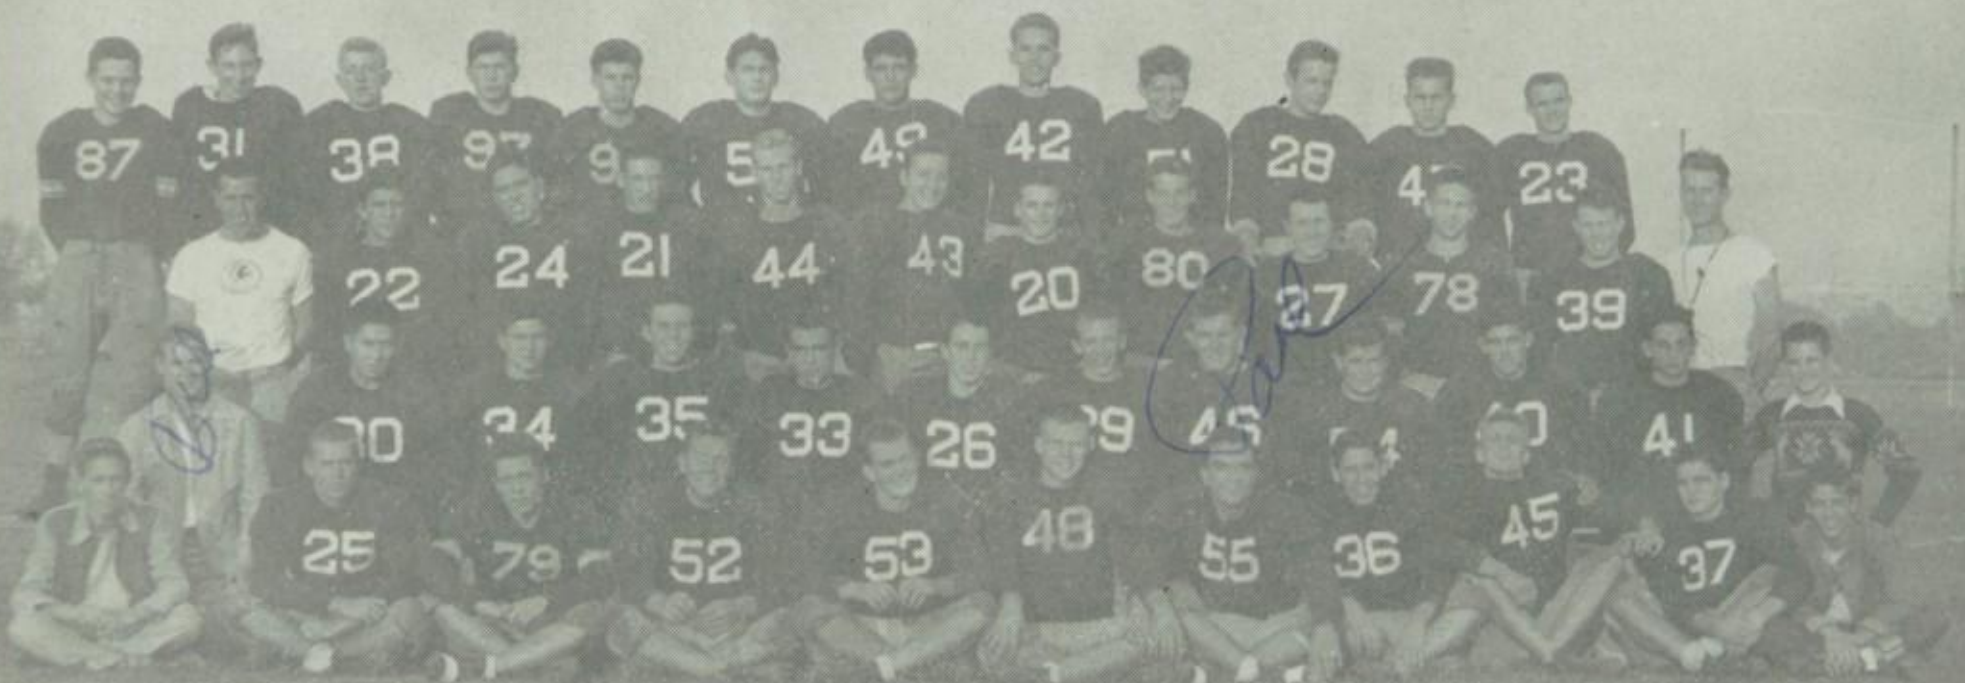

Then the final—Aztecs vs. Moors in the league final! In a game with all the customary excitement, thrills, and color, the Alhambrans cashed in on a Keppel fumble for a safety which changed a Keppel win to an 8-7 loss. And so it ended, 3 wins, 2 ties, 3 losses—not bad Keppel!

BEE FOOTBALL

Bee Football

An abundance of natural ability, lots of fight, expert coaching and the will to win—all these made the combination which carried Mark Keppel's Bee footballers through the 1945 season.

Although outweighed in nearly all their games, the Aztec middleweights were never outclassed and were able to place another colorful season alongside the many other Bee seasons already past, copping a second place in the league play.

With Coach Blynn Wilson at the reins, the local chargers tangled with South Pasadena and came through with a 13-7 win. The Keppelites then hit a four-game losing streak.

After taking a 33-18 stroping from the Long Beach Poly team, the locals returned home for their next three games. The first contest with Glendale Broadway found the Montezuma gridders strong, but not strong enough to top the exploding Dynamiters. Aztecs lost 12-7, Glendale scoring the winning touchdown late in the fourth quarter. The Middies then dropped two more tilts to Beverly Hills 13-7, and to Whittier 20-0 in a league battle.

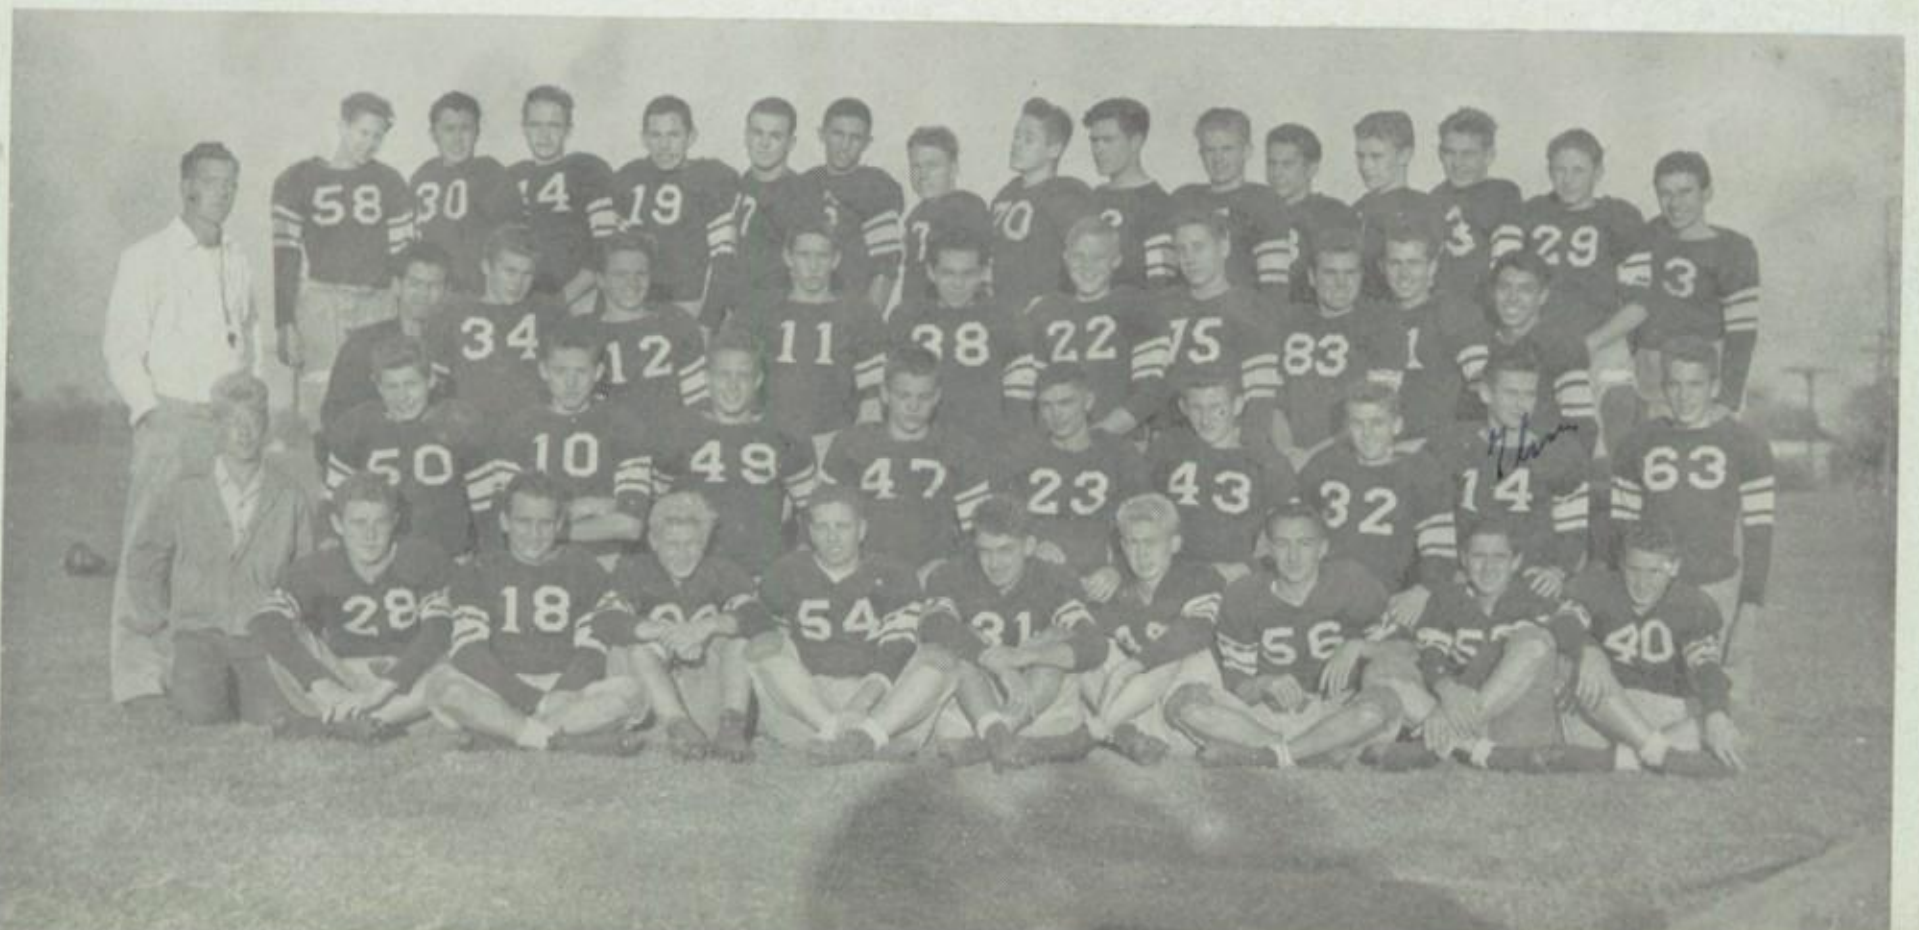

The Aztecs finally returned to the win column the next week, however, and edged powerful Excelsior 7-6. The boys from Hellman Avenue showed what they could do when they got started. The El Monte eleven was next on the list of league opponents and the Maroons again won in a wide open battle, 20-12.

The Bee gridders followed this with their most thrilling performance of the year in the traditional clash with the Alhambra Moors. Trailing 12-6 with four minutes to play the Keppelites drove 77 yards, scoring in the last three seconds of the game. The all important conversion was made and the Wilsonmen won, 13-12.

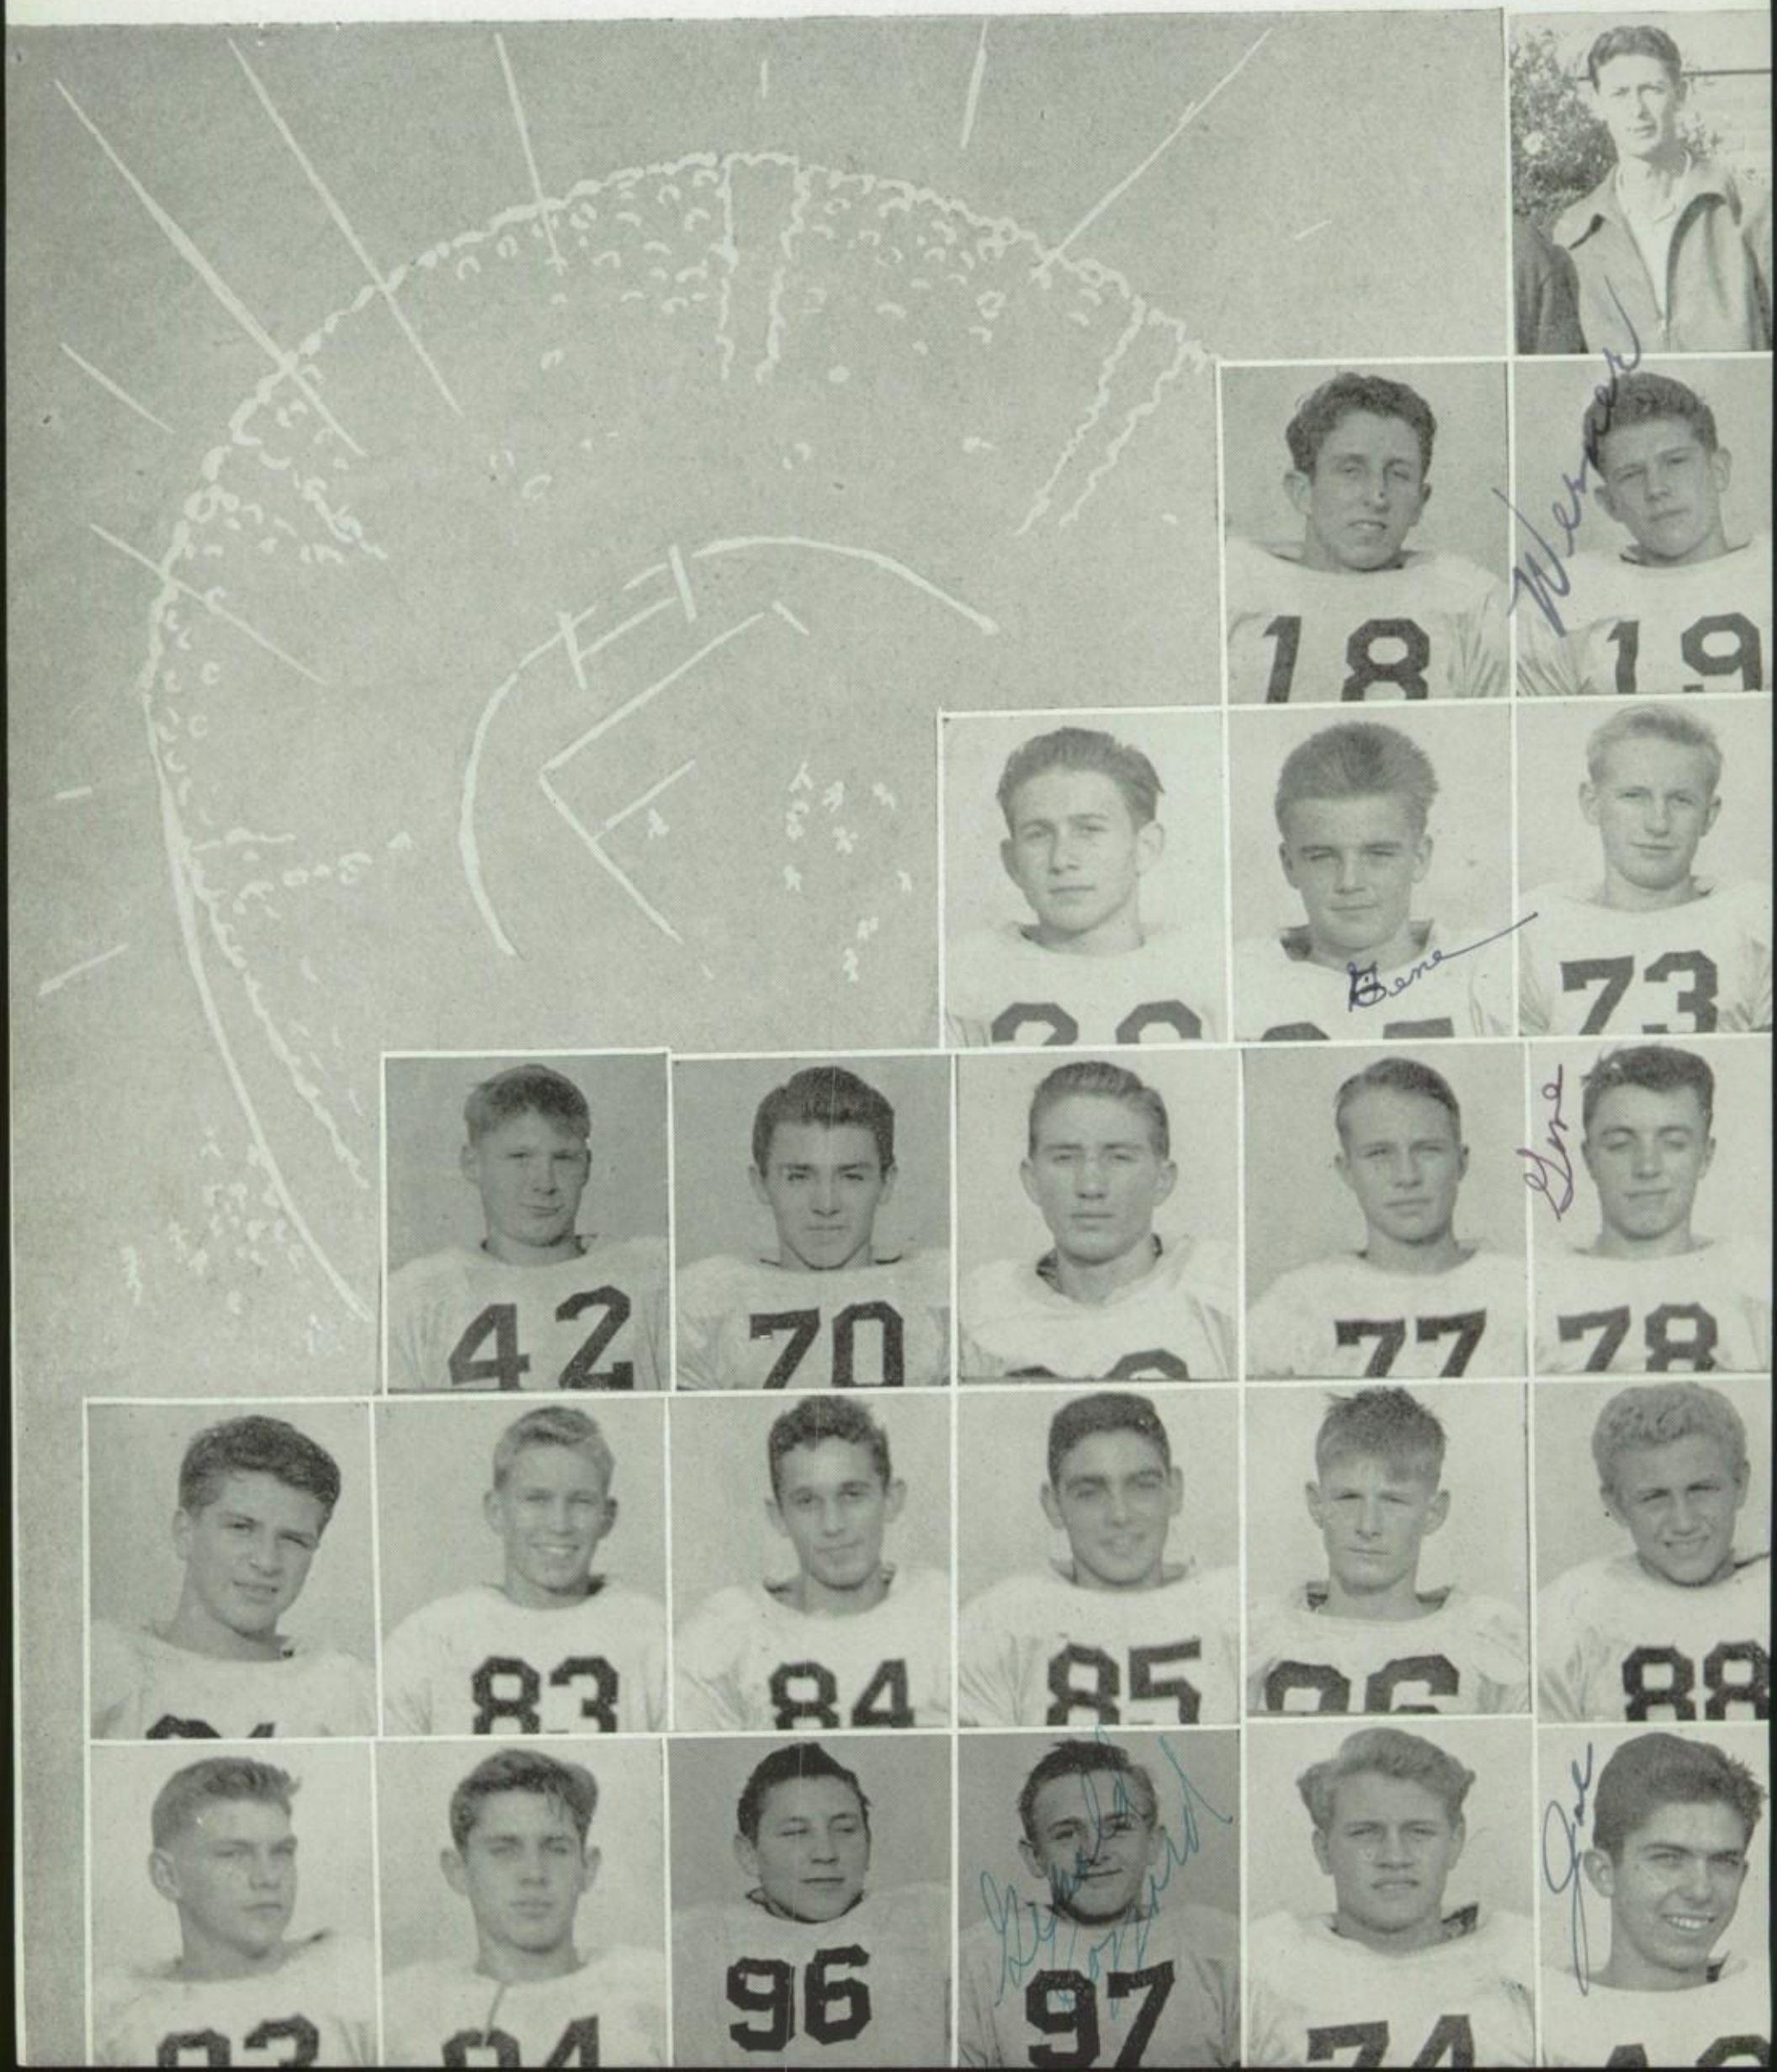

Throughout the season it was the Keppel running attack mixed with deception which gave the maroon squad the majority of its wins; also it was the first Keppel middleweight squad in the history of the school to place second in league play.

Little pile-driving Ernie Hernandez, the team's key man in the backfield, was chosen captain of the squad.

CEE FOOTBALL

Y E A . . . A . . . C H A M P S !

Breaking record after record as they advanced through their undefeated season, the mighty small-fry, the Keppel Cees became the first unbeaten midget squad to pass through the Keppel sports spotlight.

With many inexperienced but eager freshmen and group of sophomores and returning let-terms on the starting eleven, the little Aztecs played their first contest on the local grid. Their opponents, the Chino lightweights, were taken to the cleaners, 14-0.

Hitting the road for their first game away, the Montezuma gridders traveled to the home of the green and white clad men of Excelsior. Aztecs again scored twice for a 13-0 win.

This win placed the team well up in the San Gabriel Valley Limelight. It was a determined group of footballers who dropped over to Whittier and passed, as well as ran, their way to a 39-7 victory.

The first clash with the Moors from Main Street proved to be the local's first strong opposition, and in the hotly contested tift, the Alhambra passing attack was very strong. The Maroons, however, were still able to salvage a 13-6 win.

Beginning the second round, the Aztecs again dumped the Excelsior gang 32-12 and followed up with another one-sided 20-0 crushing of the Whittier Cardinals.

Then came the last scheduled battle when the mites journeyed to the Moor Stadium and systematically disintegrated the Arabs, 20-0.

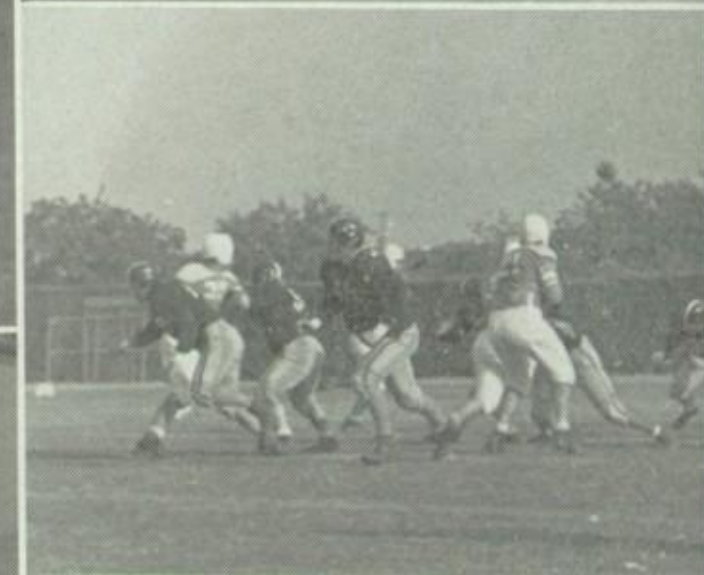

Seven victories—that's all—that's enough.

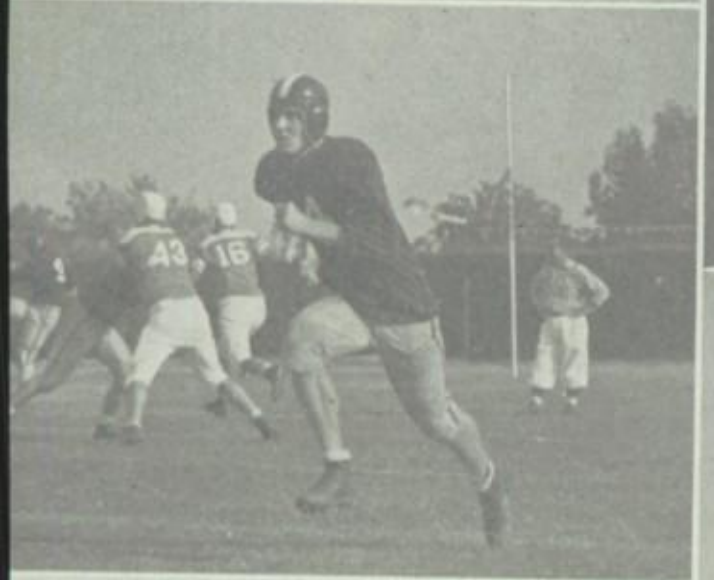

In the backfield Paul McClain, fast and hard-driving fullback, headed the ground-gaining department, while Gene McEver, Bob Bernasconi, Don Jenkins, and Neil Cloud carried the ball for many other valuable yards.

On the line Bob Lammers, Jim Keith, Gerald Hazzard, Captain Ed Holtzclaw, Jim Dye, Tod Tennyson and Gene Weal proved to be reliable "hole-openers."

VARSITY BASKETBALL

As the 1946 Varsity basketball season rolled around Keppel was undecided as to which coach would be posted as top mentor for the Aztecs. Finally, Coach Blynn Wilson, the newly-arrived sports tutor, was selected.

Enough Varsity lettermen returned to make two complete strings, not counting Morrie Ramirez and Johnny Dominguez up from Bees.

At the forward spots were the able hoopsters Bradshaw and Schultz; at guards Olson and Bailey, and to complete this scoring armada was ace center, Ramirez. With graduation catching up with them, two veteran scorers, Willson and Newhouse, were not able to complete the season.

In the first league test against El Monte, the Varsity got off on the wrong foot to come out of the bout 6 digits less than the Lions' 33. The Maroon and White in the second contest, broke into the win column to upset the Cards of Whittier, 32-2, only to be knocked off their feet by Monrovia in the third, 24-23. In the next games against Montebello, Covina, Excelsior, and Alhambra, the local lads hit pay dirt by winning all four matches. This good luck placed them at mid-season time with five wins and two losses. Beginning the second half, the Cagers lost again to El Monte, and to the Cardinals as well. To remove the taste of defeat from their mouths, the Wilsonmen turned the tables to wallop the four remaining teams, Monrovia, Montebello, Covina, and Alhambra. These victories placed them second to best on the league ladder.

BEE BASKETBALL

The success of the Bee squad was not as great as it was expected earlier in the season, even though there were five returning lettermen. Sparked by Capt. Goodman and coached by Gil Strother, the Middies started off the League games by downing the Lions from El Monte 28-21. In the second bout they lost to Whittier, 25-31. The Strothermen, still with the sweat of the last defeat in their eyes, were shellacked by the armada from Monrovia, 44-24. They came back to pound Montebello, 29-21, and came up victor over Covina by a margin of 8 points. In the next six contests the Maroon and White were in for a long stretch of overpowerings; the first of the sextet went to Excelsior Pilots, 28-21. The second tilt was lost to the Moors, 13-15, in a hard-fought game.

Beginning the second half the Aztec casabamen were hammered by Blue and White to the tune of 25-33. Again in the next battle they were slaughtered by the Whittier Cards, 14-37. To complete the six consecutive downs the locals lost to Monrovia, 43-12, and Montebello, 35-21. Finally, after the bitter defeats, the hoopsters broke into the win column by upsetting the Covina appplecart, 35-16. In the next to the last game of the season, the Middies traveled to the Excelsior floor and were swamped, 33-40. In the last bout of the season the unpredictable Bee's crossed the tracks to down their rivals, 30-21.

Row 1: Walters, Dunn, Houston, Visco, Alari, Judd, Hunt, Miller.

CEE BASKETBALL

Row 1: Jenkins, Bernessconi, Gerwick, Keith, Duff Walter.
Row 2: Rohrbough, Clarke, Holtzclaw, Lammers, Mellen, Brubaker, Cleason Mgr.

Because of a mid season coaching change and a definite lack of height, the Mark Keppel Cee cake squad was the first Aztec midget team to wind up their season in the depths of the cellar.

The team coached earlier in the year by Ed Wagner gave all the indication of a potentially powerful force as 78 midgets turned out for the opening practice sessions.

The team, however, was unable to play together consistently, due to lack of experience and height handicap. In the majority of the games during the first round the little Aztecs gave stellar performance rarely.

With the resignation of Wagner, Coach Walt Dean took over the cage reins.

The Deanmen were unable to do much better in the second round of league play, but did show much improvement in two of their closing games against Montebello and Covina. The team was captained by center Harold Weber and was consistently aided throughout the season by the point-getting of Jack Gerwick and Bob Bernasconi, forwards; Stan Clark, forward; Ed Holtsclaw and Brubaker, guards.

The locals finished the first round with three wins and four losses while the second round gave the Maroons only two wins to five defeats, for a sum total of five victories and nine setbacks. Good luck next season, Midgets!

DEE BASKETBALL

Row 1: Breck, Chander, Burgsyne, Cesar, Mills, McGlothlin, Tullgren, Stillwagon, Arabel, Heueumann, Miller.

The deadeye marksmanship of forwards Tullgren and McGlothlin, plus the defensive work of guards Arambel and Capt. Stillwagon, make the elements of a very successful 1946 Dee squad.

The team played a consistent and a hard-fought brand of ball during their bouts and finished second in the league with 9 wins and 5 losses.

Coached by instructors Wagner and Dean, the Keppel Mites became accomplished masters of the fast break and the zone defense. The team on the whole looked very weak in the opening games but improved rapidly as the season progressed and ended the first half with a victory over the Alhambra Moors.

With the advantage of their floor speed and accurate passing, the Dees began to edge away from the opposing team in the third and fourth quarters of the tests.

The small fry finished their season with a three-game winning streak, erminating with their second topping of the Blue and Gold of the rival Arabs.

The Aztecs' most exciting contest was played during the second round on the Monrovia hardwood when the locals edged the heavily favored Cats in a breathtaking battle. Same as their big brothers from the Varsity, the Wagner men lost the championship by the double defeat from El Monte. Pretty good, Mites!!!

VARSITY BASEBALL . . .

The Varsity Hardball Knockers, under the tutorship of Coach Pursell, are bursting with baseball know-how and the traditional Keppel spirit.

There is a lot of talent out on the old diamond this season for there are ten returning lettermen. Although the hardballers have lost their first two games they are picking up like wolves on Vine Street. The hickorymen came around with their first win in true Aztec style by defeating the Monroviens 4-1 in the third league game of the season.

Guarding the home plate and throwing the sizzling pegs down to second-baseman Benny Claridge is ace catcher Bob Jenkins. Out on the mound is the madcap marvel, Morris Moberly, with his eye-defying fast ball. Fast on his heels is Paul Endy, who has the full time job of snatching high flies out of the right field sky; also he gives relief to Mobes' arm by taking over on the mound. On first base you will find the loose-jointed Bob Schultz whipping a left-handed glove up in the air just in time to snag the howling toss to make another throwout. Perhaps the screaming ball to Schultz was thrown by Stan Jones after an expert stop on the third base line; or maybe from short stop Al Karan, playing the role of an impenetrable barrier against the opposing team. In the outfield holding down the No. 7 spot is George Bailey, the able veteran who pulls the horsehide in on the run.

The top sluggers this season are led by the two colorful contestants, "Arms Endy" and "Horizontal Schultz," plus Woolverton and Claridge.

It looks to one and all that the array of talent that the squad possesses is enough to set them high on the league ladder of fame. Coach Pursell and the student body hope they will reach the top bracket.

JAY VEE BASEBALL

Coach Wilson's crew of hard ball pounders, after a defeat against El Monte to the tune of 9-7, gathered up their arms to come back to wallop the Cards from Whittier 8-4. With improved batting and fielding, the horsehiders stepped into their own and met the Moors in a clash that kept the rivals from crossing the plate once to our nine.

It looks as though the Wilsonmen will have a successful season due to their continual drive, plus the baseball know-how of their mentor.

With returning lettermen Yocum, Bluemel, Weber, and Rozzell to show them how, the hardballers will make a try to upset the unfortunate opponents of the Jay Vee armada.

TRACK

Opening the 1946 season with ten returning lettermen and a host of last year's squad members, plus many Bees from the league championship team of '45, the Mark Keppel Varsity cinder team look like one of the most powerful in the valley.

The locals during their earlier meets were hampered by team injuries, plus ineligible men and so in their first meet were decisively whipped by the Bengals of South Pasadena, 67 1/2-36 1/2. The El Monte Lions were the next foes, and they topped the Montezumans 63-41 in Keppel's first league tilt.

After these two opening losses the Hellmanites finally hit their stride and posted their first group win by crushing the Whittier thin clads, 83-19. Due to dead line, we are unable to cover any more cinder tilts but the way the Keppelites were picking up with every meet the team seemed bound for an upper division spot in the league standings.

Leading the Aztec Varsity through their season were: milers, Paul Winter and Bob Hunt who both broke 5 minutes consistantly; Bob Mileham and Jim Buress, high soaring pole vaulters who kept up near the 12 foot mark most of the year; Bud Bordier, Dave Bewley and Don Bradshaw in the hurdles and Morrie Ramirez in the high jump.

The Bee squad sorely under rated at the opening of the year surprised the league by copping their first two battles from South Pasadena, 63-31, and El Monte, 52-42. They suffered their first defeat to the Cardinals, 61-34.

The Aztec Midgets, the Cee team, gave all the indications of repeating their championship form of two years before, as they were undefeated in all meets covered.

Varsity men who turned in good performances were Rudy MacIntosh, John Dominguez, "Salty" Acosta, Earl Cockrell, Bruce Anderson, Fred Aguirre and Bob Harrison.

Bee Squad men were Don Williams, Bob Dukett, George Moore, Bob Allen, Dick Trueman, Ray Alvarez, Bob Judd and Ish Poblano.

Hard workers on the Midgets were Bob Bernasconi, Paul McClain, Tex Crowson, Bob Richards, Allan Bangs, and Gene McEver. The Cee team in their three meets were undefeated having topped South Pasadena, 60-13, El Monte, 42-34, Whittier, 58-18. The Mites 4-man relay team stands a good chance of breaking the Keppel school record.

VARSITY TENNIS . . .

Coach Reginald Horne's 1946 tennis brigade is steadily improving into one of the league's top squads. The racketeers have started off their season by winning four out of the seven games played.

In the first practice test vs. Montebello the netmen downed the opposition 7-2 with only first and second singles losing. In the next bout against powerful Long Beach, the Jordanian's scalp was tucked under the wide Aztec belt; the locals winning 6-3. The next three games spelled bitter defeat for the masters of racket and ball, for the squad was up against the southland's toughest teams. The first of the three went to Beverly Hills 11-3; the second to South Pasadena 7-2; and the last of the discouraging triplets to Glendale Broadway, 9-0. After the three whitewashings, the Aztecs came back for blood, determined to wallop Cathedral High. It was an easy victory, even with the loss of Bob Thornhill, who was ineligible. This victory aroused the Varsity juggernaut, and with fresh life they rolled into their first league game against Montebello, to come up on top one digit above the Oilers' four.

. . . JAY VEE TENNIS

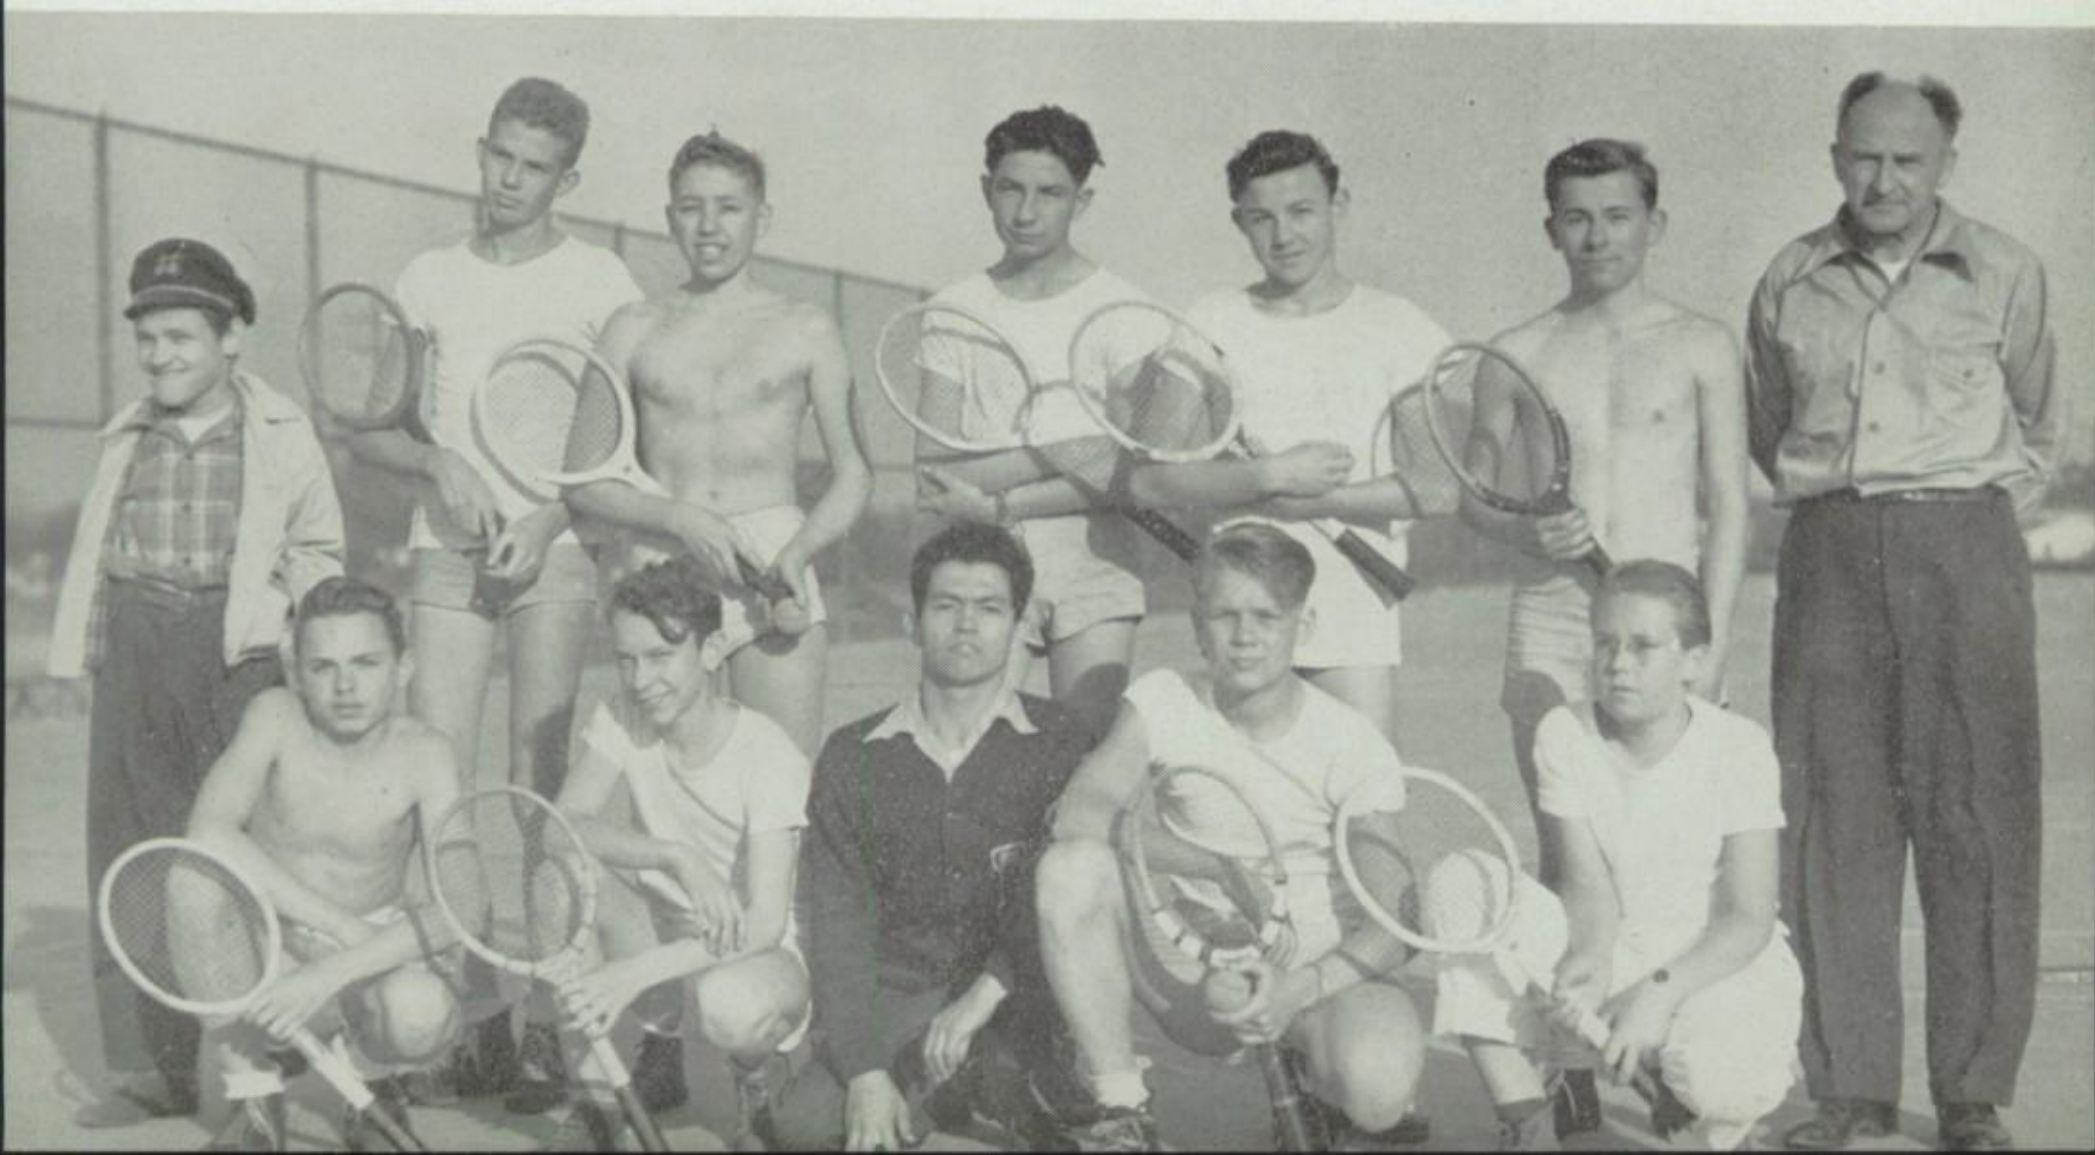

As the crew now stands we find three newcomers on the Varsity line-up, two Jay Vee lettermen, and four returning Varsity netmen. The most consistent point snatchers are Wallace Howey and Jim Ahrens; Wallace is a novice to the squad and Jim is up from the Jay Vee.

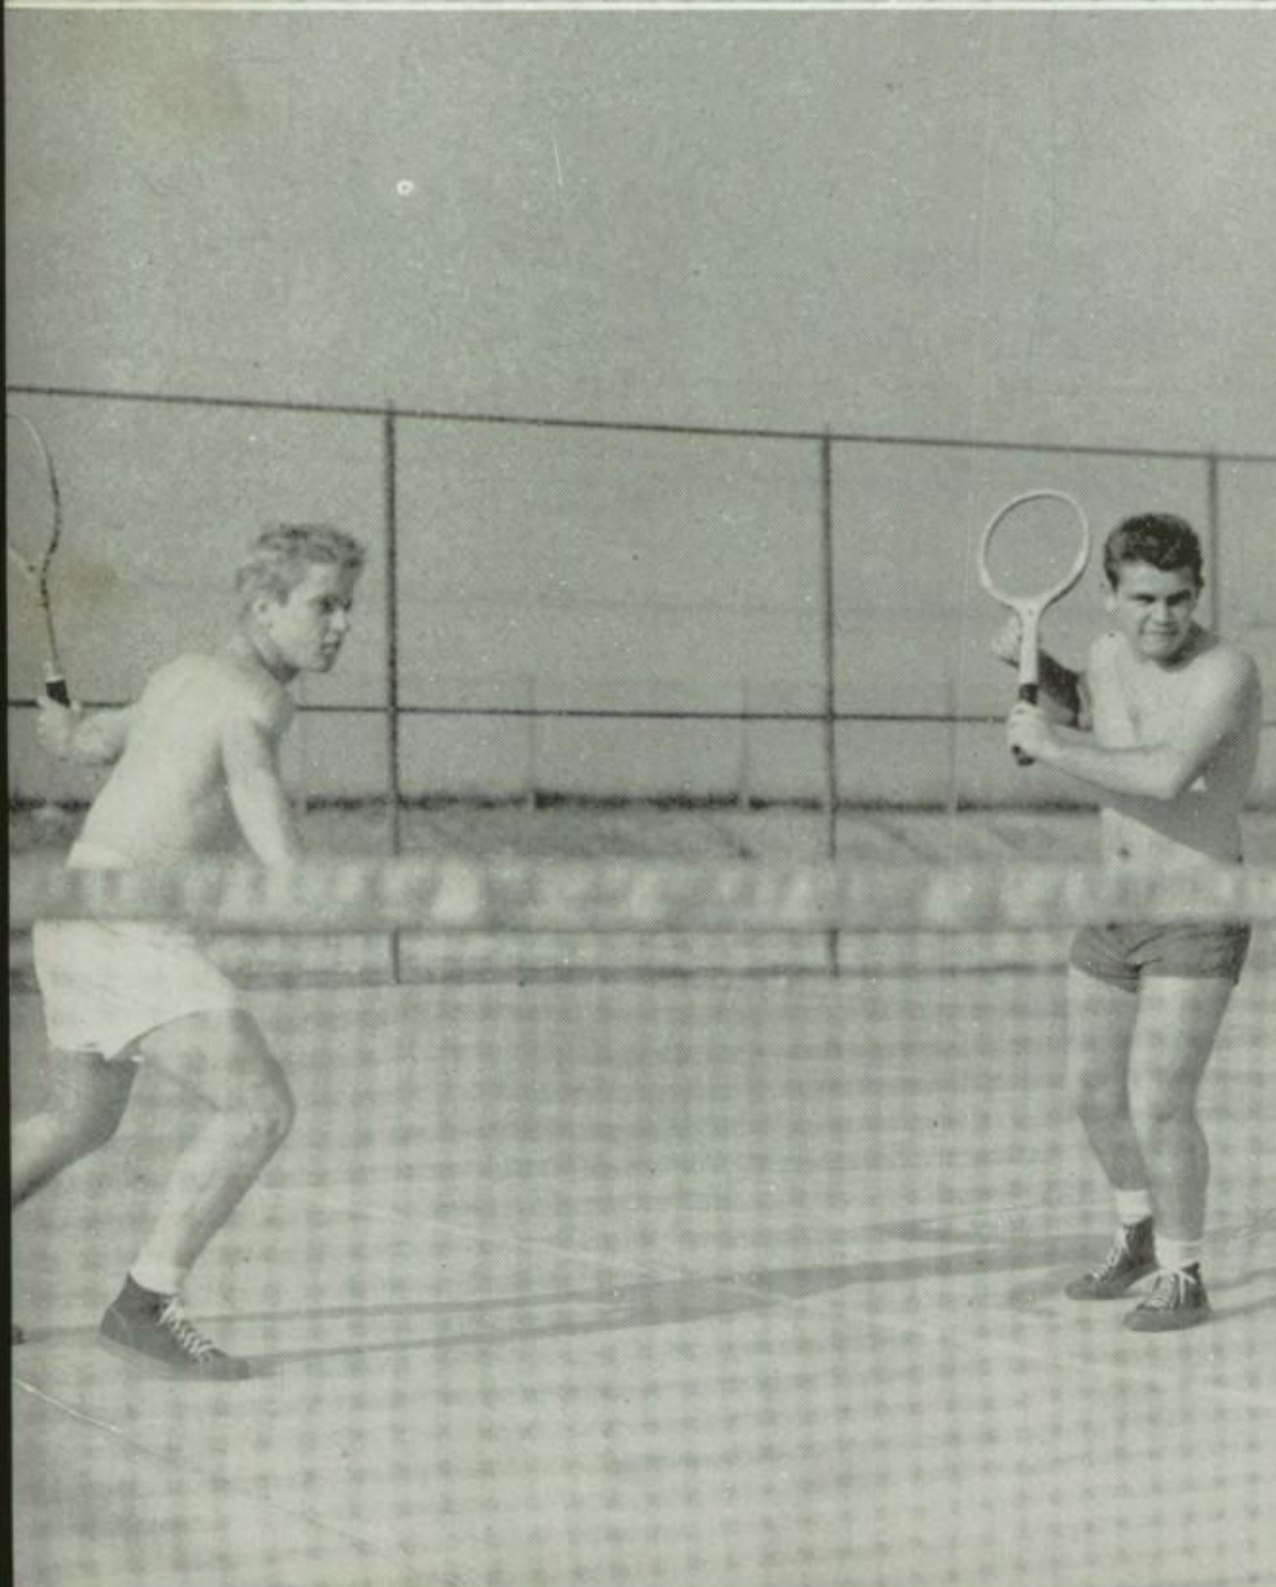

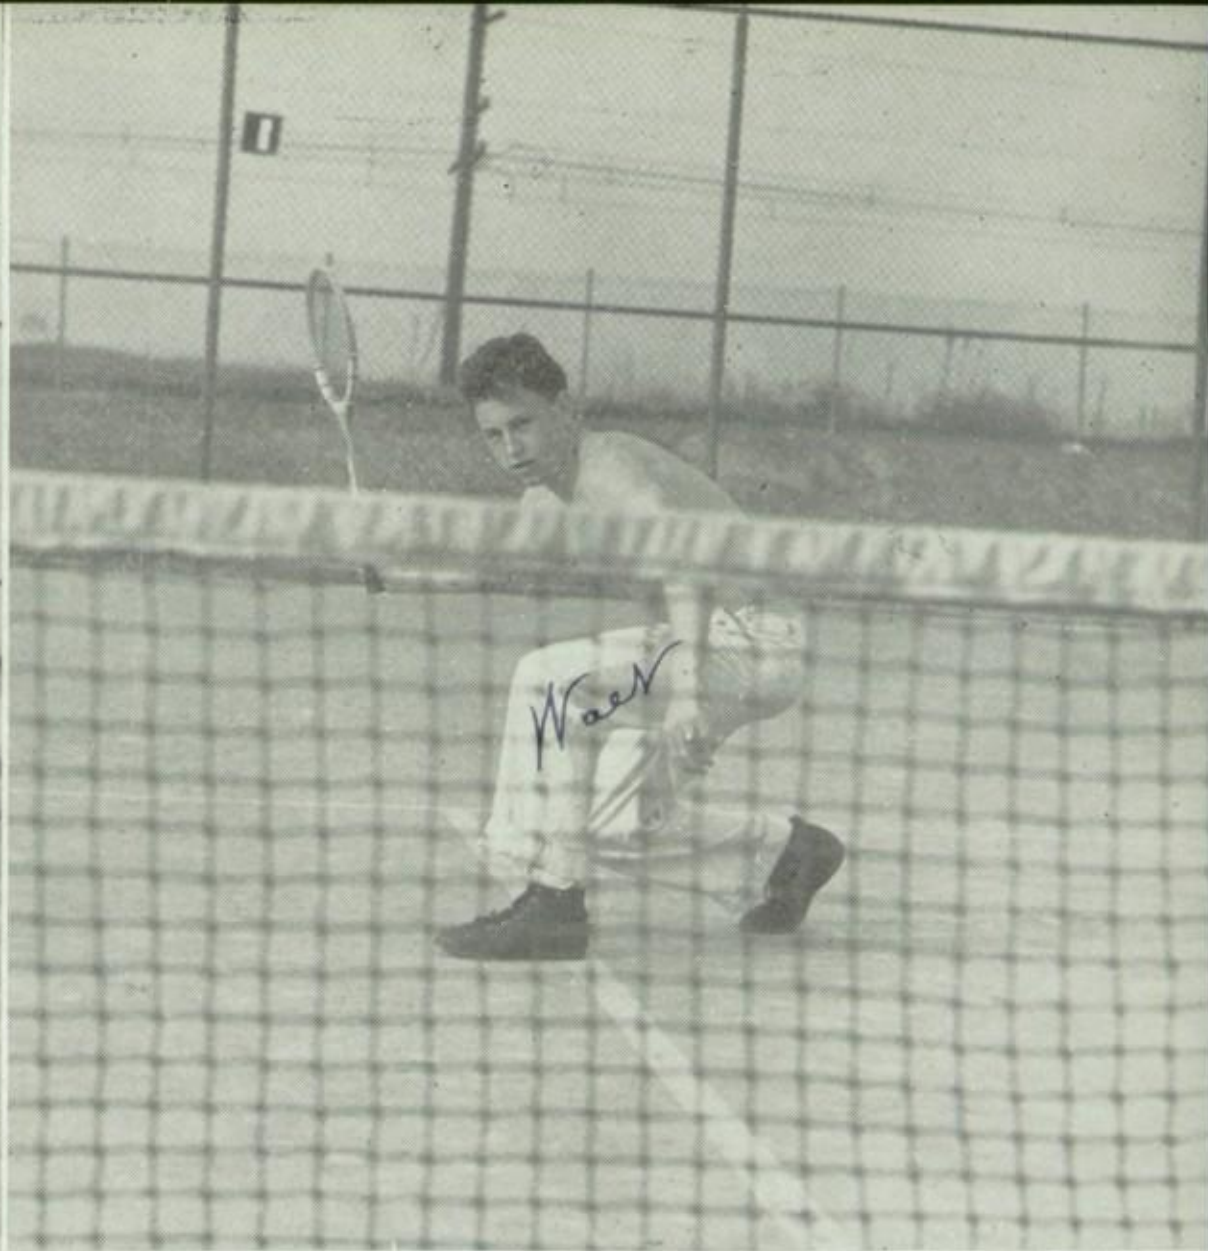

In future league matches, due to Bob Thornhill's absence, and for a general strengthening of the line, Jack Miller will move into first singles, while Bill Woerner will take over second singles. This shift moved Wallace Howey down to third spot, plus Niles in fourth. Ordinarily Bob Leber would advance from the Jay Vee, but due to sickness Wallace Butler will take his place. In the duals are Walt Thornhill and Jerry Donahue who will team up for the first, plus Ed Roberts and Jim Ahrens for second.

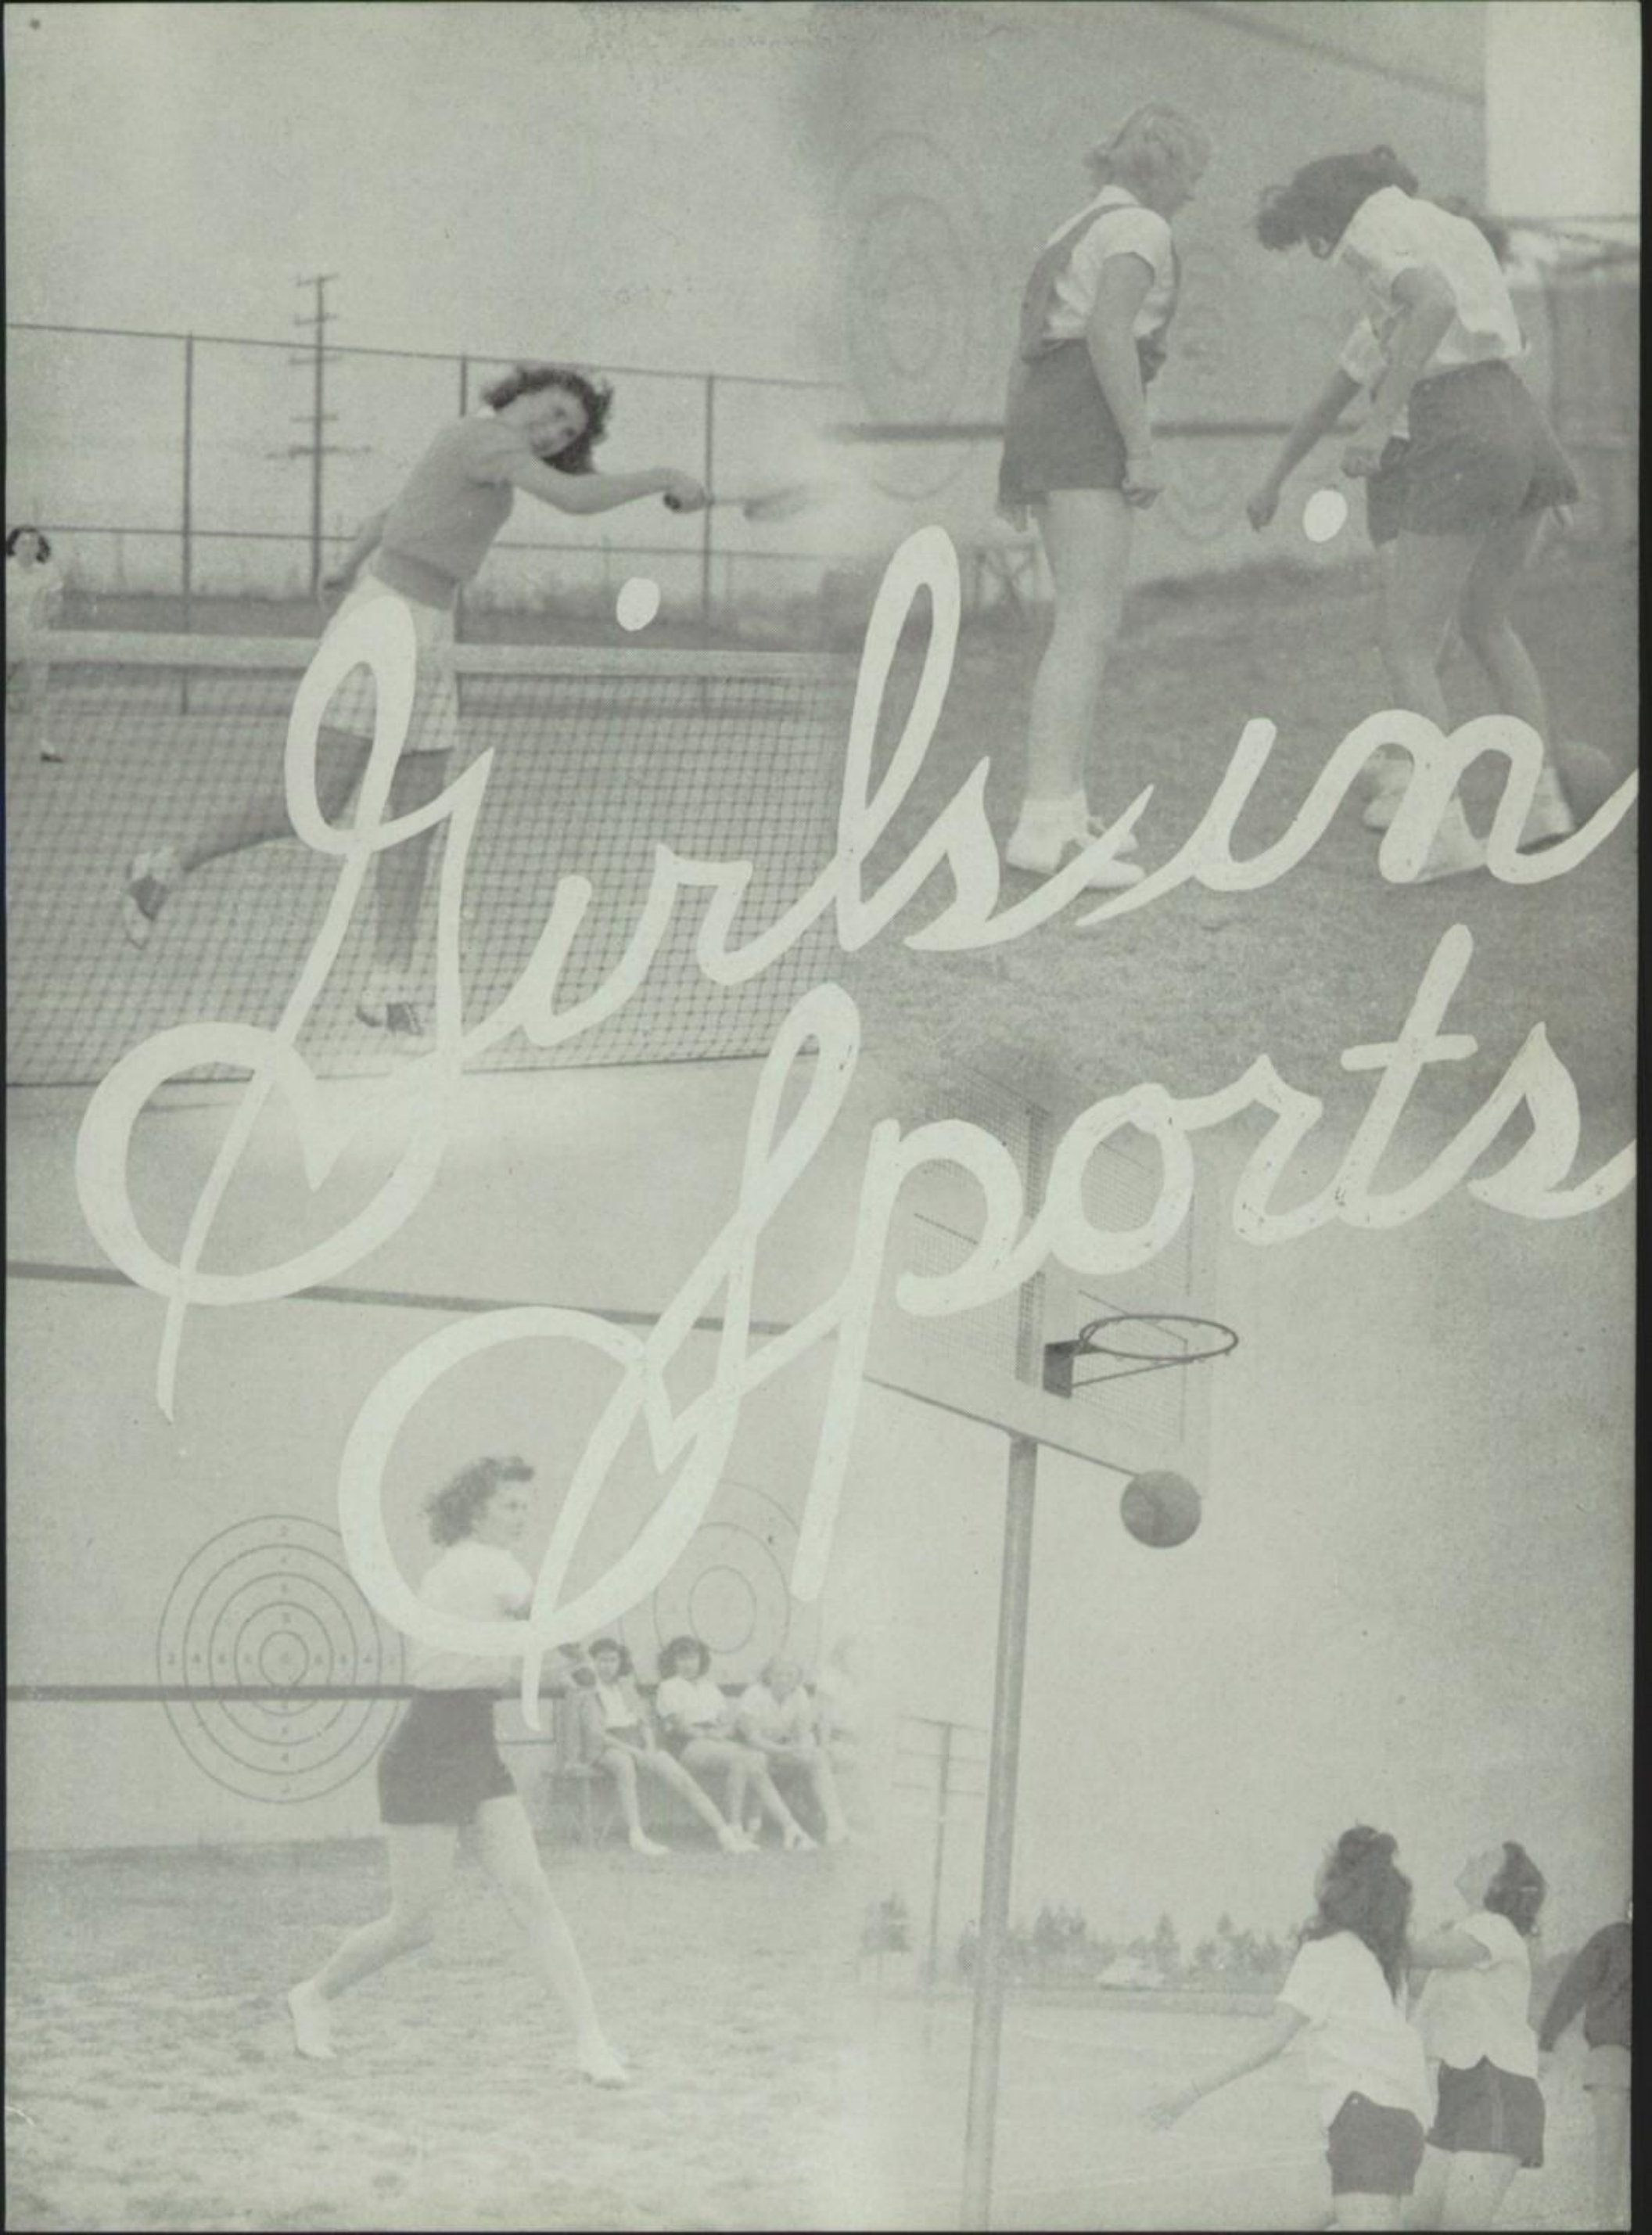

By comparison the league games will be a pushover compared to the practice bouts. With this in mind it is felt that the Varsity tennis crew will hit the scoring column a 1000 batting average.

G. A. A.

The G.A.A. girls have a great many interesting activities.

At the annual convention of the Girls' Athletic Federation held at the Redondo Union High School the Mark Keppel G.A.A. was represented by Lou Ann Jackson, Joan Main, Evelyn and Eleanor Williams, and Maria Bowling.

The many games participated in are softball, tennis, basketball, archery, volley ball, table tennis, and badminton.

The many active members of the G.A.A. have also made scrap books for convalescent soldiers. They have made it a practice to spread the good cheer that they are so fortunate to have.

On April 11 the G.A.A.'s of El Monte, South Pasadena, Monrovia, and Alhambra held their playday with the Mark Keppel girls as hostesses.

JUST GIRLS . . .

Dearest Mary,

School just doesn't seem right without you and I sure hope you get to come back out here before we all graduate. Werner wrote a good enough one didn't he? Here's best of luck to a swell kid, I think you're just darling and I hope you have all the happiness in the world.

A Clubs

Say, do you remember that picture, "The Count of Monte Cristo"? It was sponsored by the French Club for a very worthy cause indeed—to buy milk for French war orphans. For sports-minded girls were the G.A.A. activities with loads of fun, four nights a week. The Latin Club gave a skit depicting the customs of the old Romans. So you see, the A Clubs have been active in many school affairs.

B Clubs

The school appreciates the hard work and sincere efforts of the B Clubs. Organized primarily as service groups, they have done an outstanding job in helping to usher at assemblies, in organizing the Christmas gift-giving program, and taking part in many other voluntary services to the school.

Since all work and no play makes dull students, the clubs have had fun too. There were the record dances given by the Dancing Club; the 72 Club went on hikes, then there was the Scholarship half holiday to the beach. Being a club member is fun for everyone.

C Clubs

Did you remember the needy at Christmas? The Secretarial Club did by sending gift baskets. The German Club members believe in having fun—like that carefree excursion to Colorado Lagoon for a weiner bake. The Freshman Science Club, with more intellectual things in mind, visited the beautiful, educational exhibits at the Huntington Library. The Radio Club gave entertaining programs in the Little Theater for the benefit of visiting classes. These C Club activities are among the highlights of a busy school year.

D Clubs

There are two clubs in this group which are educational, as well as enjoyable. The Forensic Club fosters student participation in interscholastic speech tournaments. The members of the Discussion Club are interested in world affairs which they discuss enthusiastically at every meeting. While these diligent students worked feverishly increasing their knowledge, the Chanticon Tri-Y had a backwards party on St. Valentine's Day. See what fun these clubs are?

How did you like this year's program of assemblies and dances? Well, direct your praises to the hardest working student organization at Mark Keppel, your Cabinet.

Of course, at times one wondered how the Cabinet produced such clever ideas. You have probably passed room 105 one time and seen its session in high gear. At times like that ideas are popping thick and fast while the poor secretary tries to keep up, and Mr. Peel

desperately pleads for order. But the students get the job done.

This body has a great deal of governing power, but has several checks: Faculty Committee, Legislative Council, and the Judicial Board. The Cabinet operates under routine discipline, although it gets rather "off the subject" sometimes.

The student body appreciates the time and effort the Cabinet has spent in helping to achieve a successful year.

LEGISLATIVE COUNCIL

The Legislative Council was organized in the fall of 1945 to make the student body government more democratic in organization and in purpose. Each semester a pupil is elected to the Council from the following classes: B9 orientation, A9 fundamental speech, B10 and A10 English, B11 and A11 history, B12 civics, and A12 senior problems.

This method provides opportunity for each classroom to express its opinion on legislative problems initiated by the Council.

LEADING LADIES

Beverly Elgar was Mark Keppel's first queen to reign over the annual Alhambra-Keppel football game. Accompanied by her attendants, Pat O'Connell and Jeannette Byrd, the queen was conducted to the center of the field to attend the ceremony that marked the opening of a colorful day.

Mr. Lawson presented Beverly with a large bouquet of lovely chrysanthemums, the gift of her loyal followers. After accepting the gift and the plaudits of the crowd, the queen retired to her seat to preside over the game.

The queen was selected through the offices of the Legislative Council and the Cabinet. Ten candidates were nominated to be voted on by the student body. Beverly received the largest number of votes; second and third place honors went to Pat and Jeannette who were selected as the queen's royal attendants.

All hoped that this ceremony would become a Mark Keppel tradition to be repeated at every home game with Alhambra. We were all proud of our "leading ladies" on that unforgettable Thanksgiving Day in 1945.
